Two Darwins for the price of one

Venue and time to be confirmed.

These events have been organised as part of Cardiff University's celebrations of the 200th anniversary of the birth of Darwin, and the 150th anniversary of the publication of his seminal work, *On the Origin of Species*.

The lectures are free, and open to everyone.

Further details about the Darwin 200 Lecture Series can be found on the School of Earth Sciences webpages: <http://www.cf.ac.uk/earth/newsandevents>
