1. Programme Structure (curriculum design, programme structure and level, methods of teaching and learning)

As previously, the structure and content are appropriate in relation to the aims, learning outcomes and programme specification. The overall programme is also very relevant in relation to professional practice

2. Academic Standards (comparability with other UK HEIs, achievement of students, any PSRB requirements)

The academic content and standards are comparable to other pharmacy postgraduate diploma / MSc programmes of which I have experience.

3. The Assessment Process (enabling achievement of aims and learning outcomes; stretch of assessment; comparability of standards between modules of the same level)

The assessment process is appropriate both academically and in relation to relevance to practice. Marking appears to be consistent, transparent, well-moderated and incorporating clear feedback to students on relevant coursework. The use of marking schemes during exam marking is very helpful in seeing the transparency of the process.

4. **Examination of Master's Dissertations** (sample of dissertations received, appropriateness of marking schemes, standard of internal marking, classification of awards)

Assessment of MSc theses seems appropriate and in line with expected standards.

5. **Year-on-Year Comments**

[Previous External Examiner Reports are available from the Cardiff University Website [here](#).]

There were no specific recommendations in last year's report that needed to be actioned.

6. **Preparation for the role of External Examiner (for new External Examiners only)** (appropriateness of briefing provided by the programme team and supporting information, visits to School, ability to meet with students, arrangements for accessing work to review)

Not applicable

7. **Noteworthy Practice and Enhancement** (good and innovative practice in learning, teaching and assessment; opportunities for enhancement of learning opportunities)

As above, the transparent marking and high quality feedback to students are to be commended.

8. **Appointment Overview (for retiring External Examiners only)** (significant changes in standards, programme/discipline developments, implementation of recommendations, further areas of work)

Not applicable
