1. Programme Structure

The programme appears satisfactorily structured and meets the requirements for the General Dental Council. It is uncertain if it has been mapped to the new document, Preparing for Practice. There are no concerns in this area.

2. Academic Standards

The academic standards of the students were high, at least as good as in equivalent Institutions in the UK. I have no concerns in this area.

3. The Assessment Process

The assessment process is satisfactory although now somewhat traditional and falling behind the times for best assessment practice. Work is required to take assessment forward in the School.

4. Year-on-Year Comments

This is my first year of attendance and examining.

5. Preparation / Induction Activity (for new External Examiners only)

Sadly, my examiners introductory course was cancelled by the University.

6. Noteworthy Practice and Enhancement

Students are very fairly treated. The process is thorough and uses continuing as well as summative assessment.

7. Appointment Overview (for retiring External Examiners only)
