### 1. Programme Structure

Although I have seen very little work, there appears to be an excellent programme structure that includes a **balance of methodological and thematic modules**, with a **wide range of assessment methods**.

### 2. Academic Standards

Overall, I am happy that the academic standards applied in Archaeology at Cardiff are appropriate with modules having a good spread of marks.

### 3. The Assessment Process

I am happy with the rigor of the assessment processes, and thank the Department for ensuring that the **administrative processes** ran smoothly.

All the **bundles of assignments** came with the module guide and the second marker/moderators coversheet which was extremely helpful.

I found the **marking process** extremely thorough.

**Feedback** to students was generally excellent although the amount varied considerably between modules.

#### **4. Year-on-Year Comments**

None.

#### **5. Preparation / Induction Activity (for new External Examiners only)**

n/a.

#### **6. Noteworthy Practice and Enhancement**

#### **7. Appointment Overview (for retiring External Examiners only)**

I have only ever been sent small amounts of MA work which makes it more difficult to gain an overview than for UG programmes, but I cannot see any issues.
