

**Institutional Response: External Examiner Annual Report 2012-2013 - BSc(Hons) in Occupational Therapy (full-time)**

Dear Dr Cronin-Davis

I am writing further to the receipt of your External Examiner's Report.

In accordance with our standard practice, a copy of the Report is being forwarded to the School concerned, who will use its contents to help inform its Annual Review and Enhancement process. The University is pleased to note your many positive comments, including:

- a. **[1] your indication that the programme "has a particularly strong theoretical component as well as relevant professional and personal skill development", your confirmation that it meets "the specific Professional, Statutory and Regulatory Body requirements" and your perceptions regarding the skills and commitment of "the staff team";**
- b. **[2 and 7] your report that the "number of 1<sup>st</sup> class and 2:1 degree awards this year is very impressive";**
- c. **[3] your confirmation of a rigorous and fair assessment process that is "transparent and fair to students";**
- d. **[6] your report of a wide range of noteworthy practices adopted by the staff team.**

Your Report does not appear to raise any specific issues that require a more detailed response. Accordingly, the School has not been asked to respond formally to the Report.

In order to meet the expectations of the QAA Quality Code, both the External Examiner Annual Report and this Institutional Response will be published on Registry web pages and will be available publically.

The University's provision of the formal Institutional Response is not intended to constrain direct communication between schools and their External Examiners. Schools are encouraged to discuss with their External Examiners any matters of detail raised in their Reports and, more widely, any issues impacting on the quality and standards of awards, including possible changes to programmes.

We are most grateful for your comments and for your support in this matter.

Yours sincerely,

Mrs Jill Bedford  
Director of Registry and Academic Services
