1. Trustee Expenses

- 1.1 Cardiff University trustees are not paid for being trustees.
- 1.2 Trustees are entitled to have their reasonable expenses met from the funds of the charity. Expense claims should be made within 60 days of the expenditure/return date, using the lay member's expenses claim form and should be supported by bills or receipts. Credit card slips are not accepted as a receipt, unless for road tolls or London Underground charges. Trustee expenses will normally be approved by the University Secretary, or an authorised deputy.
- 1.3 Employee members of Council and its committees should submit expenses claims via the University's Travel and Expenses Policy.
- 1.4 Expenses claims will cover:
 - a) The agreed cost of travelling to and from trustee meetings, and on trustee business and events which have been approved by the board or the delegated authority of the Chair; this can include the cost of using public transport, taxi fares, flights and petrol allowances to the level permitted by HM Revenue and Customs (HMRC) before tax becomes payable. Public transport is the preferred method of transport where possible.

The University's agreed expenses rates are:

Cumulative Annual Mileage	Car	Motorcycle	Bicycle
Up to 10,000	45p	24p	20p
Over 10,000	15p	24p	20p

The driver must have the correct business use insurance cover and a valid MOT (where applicable) and be able to produce the relevant documentation when asked. Any additional costs for business use insurance cover will not be reimbursed by the University.

Reasonable parking costs incurred whilst attending trustee meetings or events or on trustee business are allowed and should have a supporting receipt/proof of purchase. Toll road charges and congestion charges are an allowable expense, and it is accepted receipts may not be available for these items. The University will not reimburse driving fines or violations.

Standard Class rail must be used on rail journeys. First Class travel is only permitted in exceptional or emergency situations – in such cases a request must be approved by the University Secretary. Reimbursement for railcard purchases is not possible.

UK air travel is discouraged. Economy class must be booked for all UK internal flights and overseas flights where the flying time is 7 hours or less. Airport lounge access can be claimed up to £40 per instance where flights are delayed by more than 2 hours or a stopover between flights is more than 2 hours. Subsistence cannot be claimed in addition to lounge access. The university will not pay for items that are considered personal choice expenses (e.g., seat selection or personal excess baggage).

- b) Refunds for the cost of meals taken while on charity business.

Costs can be reimbursed up to the limits below for food and beverages while travelling on University business for more than 4 hours. These rates are inclusive of tips and drinks. Allowance for each day/part day away from home:

4-6 hours £10

6-12 hours £25

12-24 hours £40

All tips and gratuities are included in the subsistence rates. Tips can be reimbursed up to 18%.

- c) The cost of postage, internet access and telephone calls on charity business from itemised bills.
- d) Special transport, equipment or facilities for a trustee with a disability.
- e) Cost of overnight accommodation while attending Cardiff University events – overnight accommodation should be booked through the Corporate Governance Team. The maximum rate per night inclusive of breakfast, all taxes and fees in Cardiff is £125.

2. Payments or Benefits for Trustees

- 2.1 On the basis that these are not provided for private use and that trustees will abide by Cardiff University's policies for their use, Cardiff University may make items or services available to trustees where they support the trustee in fulfilling their duties. Examples of these are (but are not limited to):
 - Provision of IT equipment
 - Provision of a private working area on-campus for trustee-related activity
- 2.2 Where it is determined to be justifiable and in line with the Charity Commission guidance, and subject to Council's approval, further benefits may be provided to trustees.

3. Gifts and hospitality

- 3.1 Trustees may retain all gifts valued at £35.00 or under from external organisations or individuals, whether given in recognition of presentations or otherwise. For gifts exceeding a value of £35.00 the following options are suggested:
 - Share the gift with Cardiff University staff;
 - Raffle the gift to support Cardiff University as a charity;
 - Keep the gift and donate to Cardiff University which reflects the value of the gift; or
 - Donate the gift to charity.
- 3.2 Hospitality offered should only be accepted where there is a direct link to working arrangements and a genuine business reason can be demonstrated, for example:
 - Attendance or speaking at a conference, which provides complimentary subsistence,
 - Travel and accommodation (this does not need to be declared on the register except where a gift was received);
 - Attending a free training course;

- Attending working lunches or dinners; and Attending a drinks reception to network.
- 3.3 Trustees in receipt of gifts or hospitality should declare this as soon as possible after the offer or receipt of gifts or hospitality. All declarations are to go, via email, to the Corporate Governance Team where a record of declarations will be kept. The register is an annual document and will be maintained by academic year basis and reported annually to the Governance Committee.
- 3.4 The declaration will need to include the following information:
- Date of offer of gift or hospitality, and date of event where relevant;
 - Name, job title and organisation of recipient / provider;
 - Nature and purpose of gift or hospitality received or declined;
 - The name of any other organisation involved;
 - Estimated value.
- 3.5 It is acceptable for the University to give gifts to Trustees in specific circumstances, for example, in recognition of a particular contribution or upon their leaving the Board, in line with the University [Expenses and Travel Policy](#).
- 3.6 It is acceptable for Cardiff University to provide hospitality with the Board's or Chair's prior approval in the way of working lunches and/or dinners to existing and potential policy makers, members and stakeholders subject to a genuine business reason.
- 3.7 There is no requirement for Trustees to declare refreshments, lunches and dinners provided as ancillary to Council and Committee meetings and related activity.
- 4. Payments to Trustees and connected persons for services over and above those over being a trustee**
- 4.1 In accordance with the Charities Act 2011, Cardiff University may, under contract, pay a trustee (or a connected person) for the supply of goods or services over and above normal trustee duties.
- 4.2 Such a contract is subject to the Council's approval, agreeing first that the goods or service is required by the University, aligns with procurement principles, and is in the University's best interests to be made with the person concerned.
- 4.3 The University's procedure for identifying and managing conflicts of interest should be followed where a potential conflict is identified.
- 4.4 The definition of 'connected person' used for the purposes of this policy is taken from Charities Act 2011 s.118.
- 4.5 The total number of trustees who are either receiving payment or who are connected to someone receiving payment will only ever be in a minority.
