- Requested items awaiting collection will be held for 2 working days.

### **S1.3 Library Loan Periods**

Individual library sites may use all or a combination of the following loan periods:

4 week, 2 week, 1 week, 3 days, 4 hours

#### **Auto renewals**

With the exception of 4 hour loans, items will be automatically renewed, provided those items have not been requested by another user. Users are normally entitled to take further loans, provided they do not currently owe more than £10 in fines or have a recalled overdue item.

A regular Library Account Statement email will be sent to all users giving an overview of their account e.g. items borrowed.

#### **S1.3.1 British Library Inter-library loans**

Inter-library loans from the British Library are normally issued for 5 weeks. Users can request a maximum of 1 renewal per item. ULS reserves the right to limit the number of Inter-library loans that can be requested by a user.

**S1.3.2 Uncollected Inter-library loan items**

If a borrower fails to pick up a requested loanable inter-library loan item by the expiry date then ULS reserves the right to charge a fee of £10, to be added to the borrower's library account by library staff. In the case of uncollected photocopies these will be sent by internal mail to the end user if possible.

**Schedule 2: Fines and Charges**

All recalled items that become overdue are subject to fines according to the following tariff.

Loan Period	Fine
4 week	£2 per day
2 week	£2 per day
1 week	£2 per day
3 day	£2 per day
4 hour loan*	£1 per hour

Inter-Library Loans	Charges and fines
Non-collected Inter-library Loans	£10 per non-collected item (defined in S1.3.2)

Notes:

On each issue or renewal period the maximum fine per item will be £20.

Fines will increase daily until the maximum fine is imposed. 19 days after an item becomes overdue the item will be marked as 'Lost', and the user will be liable for replacement costs of the item.

If a user loses an item, the user will be required to pay for a replacement copy; if the item is recovered both that and the replacement copy remain the property of Cardiff University Library Service.

For item(s) that are claimed as being returned by users, but not located in the library, the user and library staff will continue to search for the item(s) for a period of 4 weeks. If the item is not located after this 4 week period an invoice will be raised for the replacement cost of the item(s).

**Users must return all items and clear their fines and charges before completing their course of study, leaving Cardiff University or their library membership expires.**
