Programme and / or Modules Covered by this Report	Masters Implantology <i>MSc in Implantology</i>		
Academic Year / Period Covered by this Report:	2016/2017	Date of Report:	10/5/2017

Please complete all information in the spaces provided and submit within **six weeks** of the Examining Board (the **taught stage** Examining Board in the case of **postgraduate Master's programmes**).

Please note this form will be published online and should not make any reference to any individual students or members of staff in accordance with the Data Protection Act (1998).

Please extend spaces where necessary.

- 1. Programme Structure** (curriculum design, programme structure and level, methods of teaching and learning)

The course is well structured and at an appropriate level. There is a comprehensive student handbook. Methods of teaching and learning are varied and robust.

- 2. Academic Standards** (comparability with other UK HEIs, achievement of students, any PSRB requirements)

Academic standards are high and are comparable and exceed other similar UK institutions. GDC guidelines on implant training are met.

3. **The Assessment Process** (enabling achievement of aims and learning outcomes; stretch of assessment; comparability of standards between modules of the same level)

The assessment process is robust and meets the learning outcomes. Assessment of modules are comparable and at an appropriate level.

4. **Year-on-Year Comments**

[Previous External Examiner Reports are available from the Cardiff University Website [here](#).]

No concerns have been previously raised regarding the course which is of a high standard in all aspects

5. **Preparation for the role of External Examiner (for new External Examiners only)** (appropriateness of briefing provided, visits to School, programme handbooks and supporting information)

Not applicable.

6. **Noteworthy Practice and Enhancement** (good and innovative practice in learning, teaching and assessment; opportunities for enhancement of learning opportunities)

The course is to be commended as it covers all aspects of implantology including wound healing, treatment planning, restorative and surgical aspects. The curriculum is comprehensive and assessment robust. The course encourages students to independently and critically appraise the literature, techniques and materials and provides restorative and surgical training. It exceeds the GDC guidelines in implant training.

7. **Appointment Overview (for retiring External Examiners only)** (significant changes in standards, programme/discipline developments, implementation of recommendations, further areas of work)

Not applicable.
