The Project Management Alumni Network

cardiff.ac.uk/professional-development

Project Management Alumni Network

We've established this exclusive group to help professionals to network, share best practice and keep their skills up to date.

Our FREE network offers delegates who attend our Project Management courses a unique opportunity to share experience and ideas with other project and programme management professionals.

Our range of courses provide a development pathway for those involved in project and programme management, from the basics of project management for those new to their role, through to recognised qualifications and beyond.

Once you have attended one of our project management CPD courses, you'll automatically be eligible to become a member of our Alumni network, and start to benefit from a range of services tailored for you.

ANY QUESTIONS?

For more information about the Alumni network, contact Kate Sunderland, Business Development Manager, by phone or email (below).

We are committed to providing a service that is welcoming, reliable and exceeds customer expectations.

CUSTOMER
SERVICE
EXCELLENCE®

Benefits of membership:

IT'S COMPLETELY FREE!
