Dear Dr Ambrose,

Re: Institutional Response: External Examiner Annual Report 2018/19

I am writing further to the receipt of your External Examiner's report for the MBBCh Phase 1.

Your report does not appear to raise any specific issues that require a more detailed response therefore the School has not been asked to provide a formal response.

Your report will be considered by the School and will also be used to help inform their [Annual Review and Enhancement](#) process and where appropriate, [Periodic Review](#).

The University is pleased to note your positive comments, including:

1. Your positive comments regarding the programme structure, academic standards and assessment process.
2. The external examiner induction and annual training day are examples of good practice.
3. The year leads demonstrated excellent pastoral support for students in quarantine during the clinical assessments.
4. The ISCE clinical assessment templates were comprehensive and included an effective overview of all aspects of each station.
5. The electronic platform delivered on a tablet enabled examiners to offer comprehensive individual student feedback on different components of each part of the clinical assessment.

I hope that you will find this response satisfactory and we thank you for your continued support of the programme.

In order to meet the expectations of the [QAA Quality Code](#), both the External Examiner Annual Report and this Institutional Response will be published on the University's [Public Information website](#) and will be available to all students and staff.

We are most grateful for your comments and for your support in this matter.

Yours sincerely,
