Dear Dr Harrison,

Re: Institutional Response: External Examiner Annual Report 2018/19

I am writing further to the receipt of your External Examiner's report for the MSc in Medical Education.

Your report does not appear to raise any specific issues that require a more detailed response therefore the School has not been asked to provide a formal response.

Your report will be considered by the School and will also be used to help inform their [Annual Review and Enhancement](#) process and where appropriate, [Periodic Review](#).

The University is pleased to note your positive comments, including:

1. Your positive indications regarding the programme structure, academic standards and assessment process.
2. The high standard and timeliness of feedback, including plans to enable 'feed-forward'.
3. The high-quality teaching sessions, detailed evaluation, authentic, relevant assessment throughout the course.
4. The enthusiasm and commitment of the teaching team.

I hope that you will find this response satisfactory and we thank you for your continued support of the programme.

In order to meet the expectations of the [QAA Quality Code](#), both the External Examiner Annual Report and this Institutional Response will be published on the University's [Public Information website](#) and will be available to all students and staff.

We are most grateful for your comments and for your support in this matter.

Yours sincerely,
