

## Cardiff Case Studies

*Using contemporary research to inform and inspire the teaching of Geography in classrooms across the UK*

School of Geography and Planning & School of Earth & Ocean Sciences, Cardiff University  
Glamorgan Building, King Edward VII Avenue, Cardiff, CF10 3WA

**Tuesday 13<sup>th</sup> June 2017, 10:00 – 15.30**

Geography teachers are invited to attend the annual Cardiff Case Studies conference at Cardiff University, where they will hear academics presenting their contemporary research. We have had very positive feedback from teachers who have attended past events and it is a day that the academic staff thoroughly enjoy too. Attendance is free and includes lunch but we do require teachers to reserve a place by visiting:

[www.cardiff.ac.uk/geography-planning/about-us/cardiff-case-studies](http://www.cardiff.ac.uk/geography-planning/about-us/cardiff-case-studies)

*\*Morning and afternoon programmes are provisional and are subject to change.*

#### Feedback from some of our past attendees

*"Thoughtful, intelligent and one of the best training courses I have ever attended as a teacher."*

*"I can't begin to describe how much more revived you feel about Geography after the session"*
