Dear Professor Richards,

Re: Institutional Response: External Examiner Report 2015 – 2016

I am writing further to the receipt of your External Examiner's Reports for the DEdPsy and DEdPsy (post-qual).

In accordance with our standard practice, copies of the Reports are being forwarded to the School concerned, who will use its contents to help inform its Annual Review and Enhancement process. The University is pleased to note your positive comments, including:

- 1. your report of positive student feedback on provision;**
- 2. your particular commendation of the support that you have received from the course team and administrative colleagues, of feedback provided to students and of the poster presentations of student work.**

Your Reports do not appear to raise any specific issues that require a more detailed response. Accordingly, the School has not been asked to respond formally to the Reports.

I hope that you will find this response satisfactory and we thank you for your continued support of the programme.

As this is your final year as External Examiner, we would like to thank you for your service and we are most grateful for your valuable input into this process.

In order to meet the expectations of the QAA Quality Code, both the External Examiner Annual Reports and this Institutional Response will be published on the University website and will be available publically.

The University's provision of the formal Institutional Response is not intended to constrain direct communication between schools and their External Examiners. Schools are encouraged to discuss with their External Examiners any matters of detail raised in their Reports and, more widely, any issues impacting on the quality and standards of awards, including possible changes to programmes.

We are most grateful for your comments and for your support in this matter.

Yours sincerely,

Mr Simon Wright
Academic Registrar
