Welcome

We are delighted to welcome you to Cardiff University to experience what student life is really like at one of the UK’s leading universities. Deciding on the right university for you can be a daunting but exciting decision, so please take your time to explore our campus, visit academic schools, meet our current students and ask any questions that you may have. Be sure to also explore the surrounding area as well as the University itself - after all, Cardiff could soon be a city you’ll be calling home! Thank you for deciding to visit Cardiff University and we hope that you enjoy your day with us.

Ruth Thomas, Senior Schools & Colleges Liaison Manager

Travel Tips

Cardiff is a thriving capital city and, as such, parking within the city centre can be expensive. We strongly recommend that you arrive at the University by public transport or use one of the ‘Park and Ride’ services signposted from the M4. More information can be found by visiting: www.cardiff.ac.uk/opendays

Interested in extending your stay and exploring the city? Please see www.visitcardiff.com for more information.

On Arrival

Please make your way to the reception marquees at Main Building (1) to collect your welcome pack. Staff and students (wearing University t-shirts) will be available to provide further advice and guidance.

Make the most of Open Day

There are a number of information points across campus, should you have any general enquiries or require directions, the most central of which is in Main Building (1). You will also spot a number of our students in key locations across the campus to provide directions and answer any questions that you may have. Don’t forget to plan your day using our Open Day planner on page 25.

Finding your way around / Free shuttle bus services

The location of all key areas are indicated by numeric roundels on the campus map, which can be found on the back cover of this programme. All buildings on the Cathays Campus are within easy walking distance of each other. Free shuttle bus services will also operate between the following locations throughout the day:

- Talybont Residences and Heath Park Campus Shuttle Bus
- Main Building, Museum Avenue (1) > Talybont Residences (2) > Heath Park Campus Stop 1 (for the School of Dentistry) (> Heath Park Campus Stop 2 (for the Schools of Healthcare Sciences and Medicine) > Talybont Residences (2) > Main Building (1)
- Trevithick Shuttle Bus*
- Main Building (1) > Trevithick Building and Queen’s Buildings (2) > Main Building (1)

*Eastgate House (drop-off on request in the afternoon)

Cardiff: A Capital City

Importantly Information

Lively, elegant, cosmopolitan and ambitious are all words readily used to describe modern-day Cardiff. It is a thriving city with a proud heritage and a bright future. Together, the city and University provide students with the ‘Cardiff Experience’, a lifestyle you’ll remember long after graduation.

Cardiff is also one of Europe’s youngest capital cities - small enough to be friendly and big enough to offer the best of living in a major city.”

The Complete University Guide 2016

Whilst visiting us today, be sure to explore the surrounding area where you will find many beautiful green spaces, modern shopping centres, indoor markets and even our very own castle just a short walk away.

Lost Property
Please report any items of lost property to staff on the information desks or security staff.

Online Photo Gallery
We are employing a photographer to record the event and images taken on Open Day may be used by Cardiff University and its partners in a variety of formats (including online) for educational and promotional purposes. Copyright of all images rests with Cardiff University.

Quiet Rooms
There are two quiet rooms on the Cathays Park Campus available for students, staff and visitors:

John Percival Building, Room 0.05
Queen’s Buildings, Room S2.28

Safety Arrangements
To ensure your safety at Open Day, please adhere to all warning and instruction notices and act in a safe and responsible manner at all times. Do not touch any equipment or apparatus unless invited to do so by the member of staff in charge. In case of an emergency, immediately contact the nearest member of staff or telephone our Security Control Room on 029 2087 4444.

In the event of a fire alarm, immediately vacate the building by the nearest exit and remain outside until told by university staff that it is safe to re-enter. If you are on an upper floor and have difficulty negotiating stairs, please make your way to one of the designated safe points, which are sign posted, and use the telephone to seek further assistance. Please note that lifts should not be used in the event of a fire.

Meeting Points
If you lose a family/group member, please make yourself known to a member of our security staff in the porters’ lodges in any of the university buildings.

Advice for Disabled Visitors
Limited parking will be available for disabled visitors in the car park of Main Building. Please note that accessible transport will be available throughout the day and will be located in Main Building car park. If you would like to access this facility elsewhere on the campus, please telephone 07812 738578 and we will contact the driver for you. In addition, a limited number of wheelchairs are available from the Main Building marquees.

If you have any further queries regarding student support, or access to relevant grants, please visit the Student Support Services stand in the Main Building exhibition area. Further information is also available on our website: www.cardiff.ac.uk/opendays/disabilityadvice

Interested in taking a tour of the city? More details about our city tours can be found on page 8

Cardiff is one of Europe’s youngest capital cities - small enough to be friendly and big enough to offer the best of living in a major city.”

The Complete University Guide 2016

With stunning countryside and a number of coastal towns all within easy reach, there are many things to see and do in the area. If you intend to extend your visit, you may like to explore the Brecon Beacons National Park, immerse yourself in history at St Fagans National History Museum or simply enjoy the atmosphere at one of Europe’s largest waterfront developments, Cardiff Bay.

Over 30,000 students call Cardiff University home, meaning those who join us become part of a large, vibrant community from all around the world. Combining the vibrant capital city lifestyle with an affordable cost of living, Cardiff caters for all students from an array of backgrounds - making it a welcoming and exciting place to study.
**General Talks**

**Why Study at Cardiff University?**
As Wales’ only Russell Group university, Cardiff has much to offer. From research excellence and on-going campus investment, to our capital city location and active Students’ Union, this talk will discuss what makes Cardiff University such an exciting place to study. You will also have the opportunity to quiz our very own student panel!

**A Parents’ Guide to Higher Education**
To find out more about how to support your son/daughter throughout the application process, why not attend our dedicated parents’ session and put your questions to our panel of key University staff?

**UCAS & Applying to University**
Offering guidance on key dates and the personal statement, our UCAS & Applying talk offers a useful insight into the application process.

**Student Finance**
Covering important topics ranging from the student loan process to additional income opportunities, our experienced team are on-hand to address financial matters in this interactive session.

**NHS Funding for Healthcare-related Courses**
Come along to find out more about the funding opportunities currently available for Nursing, Midwifery, Physiotherapy, Occupational Therapy, Operating Department Practice, Radiography and Radiotherapy courses. (Please note, the main Student Finance talk covers Medicine and Dentistry up to the fourth year of the course. NHS funding currently applies in the 5th year of study only.)

**Sport**
Learn more about the wide range of sports clubs, facilities and support for high performance athletes available at Cardiff University.

**Rugby**
Do you have a passion for rugby? This talk is aimed at male and female students who are interested in pursuing the sport alongside their studies at university.

**Student Life**
Join our Elected Officers for the low down on student life - from employment and volunteering to societies and entertainment.

**Languages for All, Welsh for All and Global Opportunities**
- Whether continuing a language or learning a new one from scratch, our flexible Languages for All and Welsh for All schemes offer the opportunity to develop your language skills alongside your degree, for free!
- Interested in studying, working or volunteering abroad whilst you are a Cardiff student? Our Global Opportunities Team will talk you through the wide range of opportunities available, as well as exploring the benefits of international experience.

**Careers and The Cardiff Award**
Our students are encouraged to develop their employability skills through a range of schemes including the Cardiff Award, mentoring, work experience and more! Come along to find out more about how the Careers Team can support you throughout your time at university.

---

*Cardiff is the perfect mix of a city and campus university, close enough to be on time to lectures and to also explore the city.*

Wendy Zhu, Human and Social Science, First Year
information and advice
Our drop-in advice shops offer the opportunity to put your own questions to the University’s expert staff.

Where? Throughout the day  Where? VJ Gallery, Ground Floor, Main Building

The City of Cardiff
Cardiff is a thriving capital city which is widely recognised as an outstanding place in which to live and study. Come and chat to current students to find out more about what student life is like in one of the UK’s most vibrant cities.

Residences
All undergraduates who accept an offer from Cardiff on a ‘firm’ basis are guaranteed a room in University residences for their first year of study. Find out about the range of residences available and talk to Residences staff. For details of the sample halls open to view today, please see ‘Tours and Facilities’ on page 9.

Libraries and IT facilities
Our Library and IT Facilities Services will provide you with the tools you need to fulfil your potential at Cardiff University - from well-resourced libraries, to innovative uses of the latest technology enabling 24/7 online access to information and resources. For details on viewing our libraries first-hand, please see page 8.

International Student Enquiries
Staff will be available to advise international students about applying to Cardiff University, as well as providing information on fees, funding and visas.

Student Finance
An opportunity to speak with our financial advisers who are based at our Student Support Centre. Alongside answering queries on bursaries and scholarships, our team can provide advice and guidance on fees, grants and loans.

Student Support Services
Staff from the Student Support Centre will be available to give advice on the help and support available to current students including:
- provision for students with a disability, medical condition or learning difficulty
- counselling service
- crèche
- support for care leavers.

Information Point
Whether you’re looking for directions or general information, our staff are on-hand to provide advice and guidance.

UCAS and Applying to University
Staff from our Admission Service will be available to answer your queries about the application process.

Student Life
Whilst there are shops and cafes on many different floors, be sure to visit our Student High Street on the ground floor to see the range of services accessible to all of our students.

Student Union
Our drop-in advice shops offer the opportunity to put your own questions to the University’s expert staff.

Where? Throughout the day  Where? VJ Gallery, Ground Floor, Main Building

Cardiff University Students’ Union Tours
Led by our current students, why not take a guided tour around the Union building? Lasting approximately 20 minutes, our students will be happy to answer any questions that you may have about the Union and facilities along the way.

Where? 10.00am - 3.00pm  Where? Reception, Second Floor, Students’ Union

Say hello!
To find out more about our clubs, societies, welfare, employability, entertainment, and the general support offered by the Union. Come along and say hello!

6 Open Day 2017 programme
Tours and Facilities

Campus Tours
Why not take a walking tour around the campus with one of our student guides? There will be plenty of time to ask questions and it’s the ideal way to find out more about the academic and social facilities in different areas of the campus. Each tour lasts approximately 45 mins.

Historic tour of Cathays Park
Join Professor Bill Jones in our hour-long guided walking tour of Cathays Park, central to our Cathays Campus. One of the finest civic centres in Europe, this area has a fascinating history. You’ll hear the story of how the area developed from the nineteenth century onwards and of the individual buildings and monuments that are located there - many of which are now part of Cardiff University. Pre-booking on the day is essential as places are limited. On arrival, please pick up your free ticket from our Information Stand in the VJ Gallery, Main Building.

City Tours
If you are new to the city of Cardiff, why not take a coach tour of the city centre and its sights? You will see Cardiff’s magnificent civic buildings (of which the University is a key part), Cardiff Castle, the iconic Principality Stadium and Cardiff Bay. Each tour lasts approximately 50 minutes.

Visit the University Libraries
You are welcome to visit the University libraries throughout the day. Our libraries are located across the Cathays and Heath Park Campuses and each specialise in particular subjects.

University Chaplaincy
The Chaplaincy Team currently has Christian (Anglican, Eastern Christian, Methodist & Roman Catholic), Jewish, Hindu and Muslim chaplains. Regardless of faith background, we are here for all our students. Chaplaincy staff and current students will be available to answer questions about faith communities, student societies and university life in general. We can also provide information about opportunities for students to engage socially and to explore faith and spirituality whilst at university.

Student Residences
Students who begin their studies in September 2018 and make Cardiff University their ‘firm’ choice university will be guaranteed accommodation in the residences which best suit their particular preferences and, unusually for a civic university, the residences are within walking distance of the main campus and city centre. The following residences are open for viewing on Open Day:

Talybont Court (£127 per week for 2017/18)
• Self-catered, en-suite
• 15 minutes walk from Main Building
• Shuttle bus available on Open Day

Talybont South (£122 per week for 2017/18)
• Self-catered, en-suite
• 20 minutes walk from Main Building
• Shuttle bus available on Open Day

Sports Facilities - Cardiff University Sport
Our facilities provide an opportunity for you to take part in a range of activities at all levels of ability and commitment. We are also able to offer a range of bursaries to talented young sportsmen and women through our High Performance Programme.

Due to facility redevelopments currently taking place, unfortunately, no sports tours will be operating today. However, why not attend one of our sports or rugby talks (see page 5), or come and chat to us at the Sports and Exercise stand in the ‘Skills Extra Exhibition’ (see page 7)? We look forward to telling you more about the exciting new and improved facilities outlined below, that are due to open in September!

Fitness and Conditioning Centre - Senghennydd Road
Located at the heart of the main campus, facilities will include a modern fitness suite with a wide range of cardio and resistance equipment, as well as a conditioning suite with a full range of Olympic lifting platforms.

Sports Training Village - Talybont
Houses a fitness suite and Olympic-based lifting equipment, as well as functional training equipment. This centre is regularly used by international rugby squads when preparing for fixtures against Wales. Here, you will also find our main sports centre - including sports halls, indoor cricket wickets, tennis courts and flood-lit artificial pitches. Two brand new glass-backed squash courts will also be available.

In addition to the above, our other sports sites include Studio 49, hosting a wide range of fitness classes, and University sports fields - a 33 acre site with a state-of-the-art floodlit 3G pitch. For further information and updates, please see www.cardiff.ac.uk/sport
Heath Park Campus

Medicine, Dentistry and Healthcare Sciences

Just a mile from the city centre and next to 100 acres of parkland and playing fields, our Heath Park Campus is home to the majority of our healthcare-related courses and shares the site with the University Hospital of Wales, one of the largest teaching hospitals in the UK. Here, you will find:

- The multimillion pound Cochrane Building with a three-storey library, labs and seminar spaces
- Dedicated lecture theatres and student common rooms
- Operating theatres on-site
- Residences nearby
- Heath Park Students’ Union and support services on-site
- Sport and fitness facilities (including a swimming pool)

Visit our facilities at the Heath Park Campus

Parking is very limited at the Heath Park Campus so we recommend taking a bus from Museum Avenue, Main Building, available from 9.30am onwards. Please note, the last bus to leave Main Building will be at 2.45pm and the last bus to leave the Heath Park Campus will be at 4.00pm.

For further details regarding all talks and tours held at the Heath Park Campus, please visit the individual School programmes on pages 15, 17 and 19.

Please note that a Student Life talk by the Vice-President for the Heath Park Campus will also take place at 1.15pm in the Michael Griffith Lecture Theatre on the Heath Park Campus. Please see the map below.

Heath Park Campus Display, Cathays

If you are unable to make it to the Heath Park Campus, we have a number of information stands based at Eastgate House on our Cathays Campus. Please refer to page 18 for more information.

What our graduates say:

“I have loved my time at Cardiff University. The course is a challenge, but extremely rewarding. I have learnt lots of skills, both in the simulation labs at the Heath Park campus and in practice in a variety of placements. I already have a job at Great Ormond Street Hospital for Children in London on their medical investigations unit.”

Lewis Doult (BN Child Nursing 2016)

Where: Committee Room 2, Glamorgan Building

Talks:
- A Degree in Nursing (talk covers Adult, Child and Mental Health Nursing) (1 hour 30 mins)
- A Degree in Physiotherapy
- A Degree in Occupational Therapy
- A Degree in Operating Department Practice
- A Degree in Midwifery
- A Degree in Radiography

Advice:
- Come and talk to the admissions tutors, staff and current students about our degree programmes at the School of Healthcare Sciences display stand.
- Tours: Take a self-guided tour of our outstanding clinical facilities (including our physiotherapy laboratories, X-ray room, mould room, 3D radiotherapy suite, communication booths and our nursing and midwifery simulation suite) and explore our well-resourced Health Library at the Heath Park Campus.

*Please note, buses to the Heath Park Campus will depart from Museum Avenue, Main Building. The last bus to leave Main Building will be at 2.45pm and the last bus to leave the Heath Park Campus will be at 4.00pm. Please see page 11 for a map of the Heath Park Campus.
