Name of External Examiner:	Mike Holcombe		
Home Institution / Employer of External Examiner:	University of Sheffield		
Programme and / or Modules Covered by this Report	Computer Science		
Academic Year / Period Covered by this Report:	2016-2017	Date of Report:	28 June 2017

Please complete all information in the spaces provided and submit within **six weeks** of the Examining Board (the **taught stage** Examining Board in the case of **postgraduate Master's programmes**).

Please note this form will be published online and should not make any reference to any individual students or members of staff in accordance with the Data Protection Act (1998).

Please extend spaces where necessary.

1. Programme Structure (curriculum design, programme structure and level, methods of teaching and learning)

The programme structure and teaching methods in the Computer Science degrees are of a conventional nature. The newly introduced degree – Applied Software Engineering – is more innovative and an excellent initiative being more focused on practical industrial projects.

2. Academic Standards (comparability with other UK HEIs, achievement of students, any PSRB requirements)

These are comparable with other Russell Group universities. The student achievement is also fine, especially as some do not enter with A Level maths.

3. The Assessment Process (enabling achievement of aims and learning outcomes; stretch of assessment; comparability of standards between modules of the same level)

This is fine, the exams are set and checked carefully, I saw the coursework assignment proposals, which is good.

4. Year-on-Year Comments

[Previous External Examiner Reports are available from the Cardiff University Website [here](#).]

Nothing to report.

5. Preparation for the role of External Examiner (for new External Examiners only) (appropriateness of briefing provided, visits to School, programme handbooks and supporting information)

Entirely appropriate.

6. Noteworthy Practice and Enhancement (good and innovative practice in learning, teaching and assessment; opportunities for enhancement of learning opportunities)

The feedback on the exam paper sent to each student was good.

7. Appointment Overview (for retiring External Examiners only) (significant changes in standards, programme/discipline developments, implementation of recommendations, further areas of work)

N/A
