Your learning experience during the Coronavirus (COVID-19) pandemic

Following the outbreak of COVID-19 earlier this year, Continuing and Professional Education (CPE) moved to remote teaching along with the rest of the University. This sudden switch from face-to-face to online teaching and learning was initially a challenge for both staff and students alike, but one which I believe we all responded to well.

Having reviewed the situation, we have decided that teaching for all courses with an autumn start date will take place online. Whilst you will have access to course-related information and learning resources at any time, we will continue to use scheduled teaching sessions for you to interact with both your tutor, and fellow students, in a virtual classroom environment.

We hope to reintroduce face-to-face teaching, but only when it is safe to do so. We will review the situation again, for courses with a start date of January and beyond, towards the end of the autumn term (November 2020), and update our website accordingly.

We look forward to welcoming new and returning students to the vibrant and exciting programme of courses we have planned for the next academic year.

Dr Zbig Sobiesierski
Director, Continuing and Professional Education
June 2020

Pathways to a Degree
Opening Doors for Adult Learners

We currently offer Pathways in the following subjects:

- Business Management, Marketing, and Accounting (page 6)
- English Language, English Literature, Creative Writing and Philosophy (page 21)
- Healthcare (page 66)
- History, Ancient History, Archaeology and Religion (page 32)
- Media, Journalism and Cultural Studies (page 24)
- Medical Pharmacology (page 64)
- Modern Languages (page 51)
- Politics and International Relations (page 57)
- Social Science (page 73)
- Translation (page 52)

Welcome to
Part-time courses for adults
2020-21

It gives me great pleasure to welcome you to Cardiff University’s programme of part-time courses for adult learners. We offer a wide range of subjects to study at a variety of different levels, from absolute beginners to more advanced. Most of our courses don’t require lots of existing qualifications, just an interest in the subject and a willingness to explore it in the company of others. Our subjects are listed on page one.

We have also developed Pathways to a Degree to provide a part-time route to undergraduate degrees at Cardiff University (see inside front cover). So whether you’re studying with us for personal development, to enhance your career prospects, or to increase your knowledge you can expect to be stimulated and challenged and, on most courses, earn credits toward a qualification from Cardiff University.

Best wishes,

Dr Zbig Sobiesierski
Director, Continuing and Professional Education

Seven reasons

to study with us

Here is a flavour of what you will enjoy when you study with Continuing and Professional Education:

Open, relaxed and inclusive learning

We encourage and welcome everyone to study with us. This means that many of our courses have no entry requirements – all you need is an interest in the subject and a willingness to explore it in the company of others. There is a strong sense of community here – you will have the opportunity to meet new people, contribute to stimulating discussion and enjoy learning.

There are also free events throughout the year, including public lectures, subject specific events, open days and our annual award ceremony – giving you further opportunities for getting together with other students.

Flexible and accessible study

Are you concerned that your other commitments might affect your studies? We have taken this into consideration and schedule courses during the day, in the evenings and at weekends. We want to make it as easy as possible for you to attend. Some courses are repeated throughout the year too.

We are based in the centre of Cardiff, just 10 minutes walk from the main shopping area, with good transport links and free parking in our main venues during the evening and weekends.

Some courses are available online, which gives you the flexibility to study from home.

We are committed to improving access for all students. You can discuss any specific requirements you may have with our

tel: 029 2087 0000

www.cardiff.ac.uk/learn
Disability Advisor, whether they are related to access to buildings, or aids to learning. Contact learn@cardiff.ac.uk

You will be taught by a Cardiff University Tutor who is specialised in his/her subject area and is experienced in teaching adult learners. Your Tutor will support you and offer you guidance as you study. Classes are usually small, which makes discussion easier and allows more time for the Tutor to pay attention to your individual needs.

Gain university credits and qualifications

You can earn credits towards qualifications when you complete the required work and assessments. These credits are part of a national scheme, which means they are recognised by most universities and educational establishments. This is useful when you want to continue your studies elsewhere.

Find out more about credits on page 75.

There are a range of accredited pathways available for those hoping to progress on to an undergraduate degree. Please see inside cover.

In a few cases, we also teach students who want to gain professional qualifications offered by external bodies. Find out more about this – and the range of awards and qualifications you can work towards – on page 75.

Extra study support

As well as your Tutor’s support, you will also have access to a range of free study resources:

- The ‘Learning Guide’ offers advice on how you can develop effective ways of studying, so that you make the most of your learning experience at Cardiff University. It is specifically tailored to part-time adult learning. You can read the ‘Learning Guide’ on our website.
- A student handbook is available online, giving you more information and insight into student life, your course and Cardiff University as a whole.
- Advice as you plan your personal development and guidance on how to progress in your studies.

University facilities and resources

When you enrol on a course, you become a Cardiff University student for the duration of your study. This gives you access to a wealth of university facilities and resources:

- Libraries – you can use most of the University’s libraries. You will have access to books, newspapers, magazines, journals, CDs and DVDs, and electronic resources.

You are entitled to free library membership, which means you can borrow up to ten items from any of Cardiff University’s libraries once you obtain your student ID/Library Card (see page 75). There is an online library catalogue, LibrarySearch http://librarysearch.cardiff.ac.uk/ to help you with all learning resources.

Conveniently, the Senghenydd Library is situated in the same building as Continuing and Professional Education. Within the library is the Languages for All Hub, an area dedicated to independent language learning. The main Arts and Social Studies Library is next door to the John Percival building, where many of our courses are held.

- Language Laboratory – we have an interactive digital language laboratory, which we use extensively to enhance speaking, listening and interpreting skills.
- Computing suite – this is a dedicated teaching room for programming and web development courses.

Student rates and discounts

- Full use of the University’s sports facilities – at a reduced rate;
- Student rates on selected computer software from some suppliers;
- Discounts with a large range of companies, upon purchase of an NUS discount card.
- Student Union membership:
  - 30 credits or above = full membership
  - below = associate membership.

Cardiff University staff and student discount

If you are a member of staff or full-time student at Cardiff University you may be eligible for a discount on your part-time course and pay the concessionary fee. You just need to bring along your current university ID card when you enrol.

tel: 029 2087 0000

www.cardiff.ac.uk/learn
As a busy professional, all of our courses are designed to enhance your employability and work practice. Professional Leadership and Management Development along with Managing People I and II are popular courses for all aspects of self-development and supervision skills. All of us need an element of Managing Finance in our home and work lives. For success as a manager then Essential Management Skills and Essential Leadership Skills will give you the knowledge and the skills to succeed.

Taking a course offered in the Pathways section as a stand-alone course is an excellent way to dip your toe in to see if studying towards a degree is for you. If you know that you want to progress to a degree then the Pathway to Business Management, Marketing, and Accounting will be an exciting challenge. You need to have B-grade GCSE in Maths to progress to your degree.

When you achieve 60 credits from courses offered in the Business and Management Studies section you are eligible for a Certificate in Continuing Education. For further information contact Jan Stephens at StephensJ4@cardiff.ac.uk

All of the courses are very popular and you should pre-enrol to secure your place.
Managing Finance I

Fee £170.00 (Concessionary Fee £136.00)

Dr Petros Makris

Managers and employers at all levels need to be competent at a level of financial management. This course is designed to help students understand the financial aspects required to run the business/department. No prior knowledge is required. Please pre-enrol.

10 weekly meetings
Thursdays from 19:00 to 21:00
Starting 8th October 2020
This course will be taught online
10 Credits, Level 4
BAM20A1361A

Managing Finance II

Fee £170.00 (Concessionary Fee £136.00)

Dr Petros Makris

This course provides a further study of financial statements, planning and control and other financial management techniques. Students should have completed Managing Finance I, or have a prior knowledge of accounting. Please pre-enrol.

10 weekly meetings
Mondays from 19:00 to 21:00
Starting 1st February 2021
Continuing and Professional Education, 21 - 23 Senghennyd Road, Cardiff
10 Credits, Level 4
BAM20A2861A

Project Management

Fee £170.00 (Concessionary Fee £136.00)

Mark Flagg

This course provides a good introduction to those skills needed for successful project management. This is an area of study and application which is increasingly popular and is useful in all aspects of employment and life management. This course is extremely popular, please pre-enrol.

10 weekly meetings
Thursdays from 19:00 to 21:00
Starting 8th October 2020
This course will be taught online
10 Credits, Level 4
BAM20A5264A

Professional Leadership and Management Development

Fee £170.00 (Concessionary Fee £136.00)

Melanie Squire

You will explore the importance of both leadership and management in the professional world. You will examine leadership and management theories alongside case studies exploring real-life challenges facing today’s professional leaders. You will explore your own management and leadership styles and consider your responses to different management situations. This very interactive course is popular - please pre-enrol.

10 weekly meetings
Thursdays from 19:00 to 21:00
Starting 4th February 2021
Continuing and Professional Education, 21 - 23 Senghennyd Road, Cardiff
10 Credits, Level 4
BAM20A1363A

Introduction to Economics

Fee £450.00 (Concessionary Fee £360.00)

Dr Nasir Aminu

This module provides an introduction to the fundamentals of the Economics. It will give a basic grounding firstly in microeconomics, then in aggregative macroeconomics, and shows students how an understanding of the basics both of micro and of macroeconomics can be of considerable relevance to businesses and to business decision making.

12 weekly meetings
Wednesdays from 18:30 to 21:00
plus 2 Saturday Day School
Starting 14th April 2021
Continuing and Professional Education, 21 - 23 Senghennyd Road, Cardiff
20 Credits, Level 4
BAM20A5201A

tel: 029 2087 0000  www.cardiff.ac.uk/learn
Would you like to work towards a degree from Cardiff Business School?

Pathways are designed for those with life experience and we welcome applications from students who may have been away from formal education for several years.

We offer two pathways which will allow you to study towards a degree in:

- **Business Management**
- **Business Management – Marketing**
- **Accounting**

Cardiff University’s Business School is widely regarded as one of the leading business and management schools in the UK.

**Reasons to study on a Pathway**

- Pathways prepare you to study at degree level
- Courses are part-time
- Classes are taught in the evening or at weekends
- Classes are small, friendly and supportive
- You will receive one-to-one advice from your tutor and Co-ordinating Lecturer
- Financial support may be available to help with course fees
- Funding advice for degree study is available
- Academic study skills support is available

If you would like to enrol on a pathway please contact Jan Stephens on 029 2087 6248 or email StephensJ4@cardiff.ac.uk

**Society and Economy**

Fee £450.00 (Concessionary Fee £360.00)

**Dr Jo Smedley**

This module explores the relationships between society and the economy and provides theoretical insights into the ways in which society can shape the economic practices of business organisations. Students will develop strategic, communication and entrepreneurial skills which are transferable to small-group community goals to improve local socio-economic contexts.

- 12 weekly meetings
- Wednesdays from 18:30 to 21:00
- plus 2 Saturday Day Schools
- 23 September 2020
- This course will be taught online
- 20 credits, Level 4
- BAM20A5393A

**Management: Theory and Evidence**

Fee £450.00 (Concessionary Fee £360.00)

**Dr Jo Smedley**

This module equips students with the ability to understand and critically evaluate the claims of management theorists using quantitative and qualitative evidence bases. Students will be introduced to data interpretation, presentation and analysis methods so that they are able to read, understand and critique basic management theory.

- 12 weekly meetings
- Wednesdays from 18:30 to 21:00
- plus 2 Saturday Day Schools
- Starting 27th January 2021
- Continuing and Professional Education, 21 - 23 Senghennyd Road, Cardiff
- 20 Credits, Level 4
- BAM20A5394A

You now have the opportunity to realise your learning potential!
Jemma Cox
The course provides students with an introduction to the key themes, concepts and theories relating to the study of the management of people in organisations. Particular attention is paid to organisations as the nodal points of human interaction within the business world, focusing on both the social and the psychological aspects of these relations. The People in Organisations module is a 20 credit module on the Pathway to Business Management.

12 weekly meetings
Wednesdays from 18:30 to 21:00
plus 2 Saturday Day Schools
Starting 14th April 2021
Continuing and Professional Education, 21 - 23 Senghenydd Road, Cardiff
20 credits, Level 4
BAM20A4920A

Your chance to study

Continuing and Professional Education (CPE) provides a range of part-time pathways to enable you to study an undergraduate degree at Cardiff University. This year you could begin your journey to study a degree in Business Management: Business Management (Marketing); or Accounting at Cardiff Business School.

You will work in a small group to develop your knowledge in a positive and supportive environment. Our students bring their own life experiences and motivations to generate a rich mix of active discussion and a positive and stimulating student experience.

Our tutor Dr Jo Smedley commented: “From a tutor perspective, teaching Pathway students is enormously rewarding. While course content is equivalent in University quality and standards, the learning benefits from the active contributions from students. Questions flow in abundance and the community spirit within the group enables real-world experiences to be actively shared – actively linking theory with practice. As the learner dynamic and confidence grows, my tutor role has progressed from teacher to facilitator. Learning is much more learner centred with greater ownership gained by listening, questioning and shared contributions from real-world experiences. After each meeting, I always come away having personally learned such a lot and marvel at the enthusiasm and commitment of the students as they progress on their individual quests of knowledge enhancement.”

Jemma Cox also enjoys teaching modules on this pathway and commented: “I have been teaching on the Pathway to Business and Management since Cardiff University first introduced the programme and it is a hugely rewarding programme to be a part of. Over the last few years, it has given me the opportunity to help students to build their confidence to study at University level and to develop new skills, whilst applying existing knowledge and skills to the study of business and management. The Pathways course is a great way to gain an insight into the commitment and work involved in studying at degree level, whilst also enabling students to study around their other commitments. It is also a wonderful opportunity to meet other students with similar ambitions along the way. Helping students to take those first steps to achieving their ambitions and seeing their success when they graduate or achieve their goals, is one of the highlights of my role. I am therefore looking forward to welcoming a new group of students to our Pathways course this year, to help even more people take that first step towards achieving their ambitions.”
Our courses are designed to give a student with very little knowledge of computing a sound foundation in particular areas. Students wishing to create their own website should attend the course Web Development with HTML and CSS. HTML is the easiest programming course for a beginner. The further courses PHP1 - PHP Scripting for the Web, PHP2 - Using MySQL with PHP for the Web and PHP3 - PHP Web Application Development allow the student to enhance their website.

There are many courses on other computer programming languages such as C, C++, Java and Python. Students on these courses develop their programming skills by writing programs to solve problems. Six modules, namely C Programming, C++ Programming, Java Programming, Advanced Java Programming, Python Programming and Windows PowerShell Programming are offered as Free Standing Modules so that students may study these modules as part of their undergraduate degree studies.

Java I

Fee £450.00 (Concessionary Fee £405.00)

Dr Mike Evans
This course is an introduction to the concepts of JAVA programming. Topics covered include an introduction to classes and objects, arithmetic operators, use of methods of the Math class, comparison operators and use of if statement, use of while, do and for loops, keyboard input and exception handling, use of methods of the String and Character classes, text file input, pattern matching, accessor and mutator methods, static variables and static methods and, finally, arrays. Each meeting comprises of a lecture followed by a laboratory session. Assessed work will include the writing of Java programs.

12 weekly meetings
Wednesdays from 18:00 to 21:00
plus 1 Saturday Day School
Starting 7 October 2020

Lecture Room T2.07, Trevithick Building,
Computer Science Department (entrance via the Parade), Cardiff
20 Credits, Level 5
COM20A3337A

Java II

Fee £450.00 (Concessionary Fee £405.00)

Dr Mike Evans
This course extends the basic concepts learnt in Java I and is taught along similar lines. Topics covered include exception handlers using try, catch and finally blocks, introduction to inheritance, interfaces, abstract and final classes, introduction to event handling, the MouseListener interface and the MouseAdapter class, use of the FlowLayout, BorderLayout, GridLayout and GridBagLayout layout managers with both the Abstract Windowing Toolkit (AWT) and the Swing Toolkit adding components to the graphical frame. Assessed work will include the creation of a number of applications with a graphical user interface (GUI).

12 weekly meetings
Wednesdays from 18:00 to 21:00
plus 1 Saturday Day School
Starting 3 February 2021

Lecture Room T2.07, Trevithick Building,
Computer Science Department (entrance via the Parade), Cardiff
20 Credits, Level 5
COM20A3338A

Enrol Now!
**PHP1 - PHP Scripting for the Web**

Fee £450.00 (Concessionary Fee £405.00)

Christopher Maggs

This course covers the fundamentals of PHP scripting in a web environment to produce dynamic web pages. Modules include form validation, file handling and manipulation of external data sources (XML). This course assumes knowledge of the topics covered in the Web Development with HTML and CSS course, or requires the students to have a good understanding of HTML. This course feeds directly into PHP2 - Using MySQL for the Web. See the computing page on www.cardiff.ac.uk/learn for details.

12 weekly meetings

Thursdays from 18:00 to 21:00

plus 1 Saturday Day School

Starting 24 September 2020

Room E2.05,
Continuing and Professional Education,
21 - 23 Senghennydd Road, Cardiff

20 Credits, Level 5

COM20A3599A

---

**PHP2 - Using MySQL with PHP for the Web**

Fee £450.00 (Concessionary Fee £405.00)

Christopher Maggs

This course covers the fundamentals of designing a relational database using mySQL and the PHP scripting engine. Students will learn to design and build database tables and use them to produce dynamic website applications. This course assumes knowledge of the topics covered in the PHP1 - PHP Scripting for the Web module, or that the students have an understanding of the basic constructs of PHP. The basic syntax of SQL, as is applicable to mySQL, is taught on the course. Students can continue from this course to PHP3 - PHP Web Application Development. See the computing page on www.cardiff.ac.uk/learn for details.

12 weekly meetings

Thursdays from 18:00 to 21:00

plus 1 Saturday Day School

Starting 22 April 2021

Room E2.05,
Continuing and Professional Education,
21 - 23 Senghennydd Road, Cardiff

20 Credits, Level 5

COM20A3598A

---

**PHP3 - PHP Web Application Development**

Fee £450.00 (Concessionary Fee £405.00)

Christopher Maggs

The PHP Web Application development module introduces object oriented PHP to create and maintain web applications. The course includes the development of a personal web application which forms part of the overall marking criteria. The course assumes knowledge of the topics covered in the PHP1 and PHP2 modules, or that students have an understanding of using PHP for web development. See the Computing page on www.cardiff.ac.uk/learn for details.

12 weekly meetings

Thursdays from 18:00 to 21:00

plus 1 Saturday Day School

Starting 22 April 2021

Room E2.05,
Continuing and Professional Education,
21 - 23 Senghennydd Road, Cardiff

20 Credits, Level 5

COM20A5213A

---

**Java III**

Fee £450.00 (Concessionary Fee £405.00)

Dr Mike Evans

Topics covered include the use of sequential and random access files, introduction to threads, creation of a multithreaded application, introduction to networking, creation of client/server network applications using both the User Datagram Protocol (UDP) and the Transmission Control Protocol (TCP), Remote Method Invocation (RMI), the RMI registry and, finally, the creation of an application using RMI. Assessed exercises will reinforce the work covered in the lectures.

12 weekly meetings

Wednesdays from 18:00 to 21:00

plus 1 Saturday Day School

Starting 12 May 2021

Lecture Room T2.07, Trevithick Building, Computer Science Department (entrance via the Parade), Cardiff

20 Credits, Level 5

COM20A3339A
Computer Studies

Python Programming

Fee £450.00 (Concessionary Fee £405.00)

Dr Mike Evans
This module aims to provide an introduction to programming in the Python scripting language. This course is ideal for the student who already has some knowledge of computer programming.

Topics covered include an introduction to the Python language, creating and executing Python scripts, an introduction to the built-in object types such as numbers, strings, lists and dictionaries, an introduction to user defined functions, an introduction to files, exception handling, built-in tools and keyed database management. This module includes a mix of traditional lectures and laboratory sessions.

12 weekly meetings
Mondays from 18:00 to 21:00 plus 1 Saturday Day School
Starting 5 October 2020
Lecture Room T2.07, Trevithick Building, Computer Science Department (entrance via the Parade), Cardiff
20 Credits, Level 5
COM20A5337A

C++ Programming

Fee £450.00 (Concessionary Fee £405.00)

Dr Mike Evans
This course will provide an introduction to the C++ programming language and its usage. After attending this course, you will have acquired the basic skills in programming in C++ and an understanding of the ideas of object oriented programming. Topics covered in this course include an introduction to classes and objects, class variables, constructors and functions, overloaded constructors and functions, public and private access to variables and functions, arithmetic operators, simple input and output, comparison operators and the use of conditional and iterative control statements, formatting of output, use of library functions and the creation of user defined functions, introduction to pointers, introduction to arrays, accessing arrays using both subscripts and pointers, use of standard input/output library functions, use of text and random access files, use of C pre-processor directives, manipulation of data structures and use of make files.

Assessed work will include the writing of C programs. No programming experience required.

12 weekly meetings
Tuesdays from 18:00 to 21:00 plus 1 Saturday Day School
Starting 2 February 2021
Lecture Room T2.07, Trevithick Building, Computer Science Department (entrance via the Parade), Cardiff
20 Credits, Level 5
COM20A2652A

C Programming

Fee £450.00 (Concessionary Fee £405.00)

Dr Mike Evans
This course will provide an introduction to the C programming language and its usage. After attending this course students will have acquired the basic skills in programming in C. Topics covered in this introductory course include data types, arithmetic operators, companion operators, use of conditional and iterative control statements, formatting of output, use of functions from the C library, creation of user defined functions, functions, introduction to pointers, introduction to arrays, accessing arrays using both subscripts and pointers, use of standard input/output library functions, use of text and random access files, use of C pre-processor directives, manipulation of data structures and use of make files.

Assessed work will include the writing of C programs. No programming experience required.

12 weekly meetings
Tuesdays from 18:00 to 21:00 plus 1 Saturday Day School
Starting 6 October 2020
Lecture Room T2.07, Trevithick Building, Computer Science Department (entrance via the Parade), Cardiff
20 Credits, Level 5
COM20A3340A
Computer Studies

Advanced Python Programming
Fee £450.00 (Concessionary Fee £405.00)

Dr Mike Evans
This module aims to build on the topics covered in the Python Programming module. Topics covered include reading data from a file into an array, using Python to analyse a Microsoft spreadsheet, sorting data, introduction to Object Oriented Programming (OOP), inheritance, introduction to Graphical User Interfaces, discussion of the Canvas, Text, Label, Entry and Button widgets, discussion of the Packer, Gridded and Placer layout managers and, finally, some systems programming. This module is delivered using a mix of traditional lectures and laboratory sessions.

12 weekly meetings
Thursdays from 18:00 to 21:00
plus 1 Saturday Day School
Starting 24 September 2020

Lecture Room T2.07, Trevithick Building,
Computer Science Department (entrance via the Parade), Cardiff
20 Credits, Level 5
COM20AS395A

Web Development using HTML and CSS
Fee £450.00 (Concessionary Fee £405.00)

Huw Davies
This course teaches students how to build a website using modern techniques and principles with HTML (Hyper Text Markup Language), CSS (Cascading Style Sheets) and jQuery (Javascript). It is a HTML and CSS coding course and all coursework and assessed work will include the writing of PowerShell scripts.

11 weekly meetings
Tuesdays from 18:00 to 21:00
plus 1 Saturday Day School
Starting 22 September 2020
Room E2.05, Continuing and Professional Education,
21 - 23 Senghennydd Road, Cardiff
20 credits, Level 4
COM20A4867A

Useful information for students attending courses in the Computer Science Department.
Students are advised to obtain an ID/Library card and request swipe card access to the Computer Science building.
Qualifications in Computer Studies

Accreditation: a guide

All our computing courses offer nationally recognised credits which can be used towards a Diploma of Higher Education (120 credits), a Certificate of Advanced Study (60 credits), a Certificate of Higher Education (120 credits), or a Certificate of Continuing Education (60 credits). For further information please see Student Information on page 79.

Diploma of Higher Education (120 credits)

Students wishing to enrol for the Diploma in Higher Education should first check that they satisfy the entry requirements, 120 credits at level 4, or equivalent. To be awarded the Diploma in Higher Education you will need to obtain a total of 120 credits from specified blocks of study at Level 5. There are three blocks of modules currently available in Computer Studies, and you will need to obtain 60 credits from two of the blocks listed below:

Certificate of Advanced Study (60 credits)

These Certificates provide recognition that a student has successfully completed a 60 credit block of study at level 5.

Certificate of Higher Education (120 credits)

The Certificate of Higher Education is awarded once a student has achieved a total of 120 credits. These credits can be from any mixture of subjects at level 4 or above.

Certificate of Continuing Education (60 credits)

These Certificates provide recognition that a student has successfully completed 60 credits in a particular subject at level 4. Credits gained from any of the courses listed in this section can be used to gain a Certificate of Continuing Education in Computer Studies.

I am sure that you will find subjects of interest to you in our Computer Studies programme.

If you want further guidance, you can contact your course tutor or Dr Mike Evans, Co-ordinating Lecturer via the email address evans@cardiff.ac.uk
Prove your potential by gaining qualifications.

What qualifications can you gain with us?

- **Certificate of Continuing Education**
  With 60 credits at Level 4 or Level 5 within one subject area

- **Certificate of Higher Education**
  With 120 credits at Level 4 or Level 5

- **Diploma of Higher Education**
  With 120 credits at Level 5 completed in pre-defined 60 credit study blocks.
  Subjects currently available: Computing, French, German, Italian and Spanish.

For further information on these qualifications visit our website.

- **Pathway to a degree**
  With 60 credits Level 4 from specific Pathways, you can go on to study at degree level. Current subject areas include: Accounting, Business Management, History, Ancient History, Archaeology and Religion, Modern Languages, Healthcare, English Language, English Literature, Creative Writing and Philosophy, Social Science, Translation, Journalism, Media and Cultural Studies, Politics and International Relations and Medical Pharmacology.

We also offer International qualifications such as the DELF-DALF, the DELE, Goethe Zertifikat, CILS, JLPT and the HSK.

Credits will enhance your studies, improve your CV and help you realise your personal ambitions. For more information contact us.
Humanities

Introduction to Writing

Fee £170.00 (Concessionary Fee £136.00)

Rachel Smith

Is writing something that feels a little terrifying, like a leap into the unknown? Do you wish you could start writing that novel, memoir, or something shorter? This course will introduce you to some of the most important skills in a creative writer's toolbox: imagination, confidence and perseverance. By the end of the course, you will have made the leap and started to write!

10 weekly meetings
Mondays from 19:00 to 21:00
Starting 5 October 2020
This course will be taught online
10 Credits, Level 4
CRW20AS5363A

Our humanities courses are guaranteed to pique your interest and fire your imagination! If you've got a love of arts and culture, then try your hand at creative writing, discover the past, be inspired by classical and jazz music, and get enthused by philosophy.

Our courses are designed to suit all tastes and are taught by knowledgeable and experienced tutors who will ensure that you are made to feel welcome in a friendly and supportive learning environment.

Enrol now to learn new skills, improve your job prospects, or challenge yourself to study at university level and get a qualification. You can build up 60 credits to qualify for a Certificate of Continuing Education in Humanities or in a specific subject area, or gain 120 credits and be awarded a Certificate of Higher Education. You could enrol onto one of our Pathways to a Degree. If you're thinking any of these routes might be for you, or you'd just like a bit more information or advice, please don't hesitate to contact the Humanities Co-ordinating Lecturer, Dr Michelle Deininger.

Please check our web pages for the most up-to-date information about course dates, times and locations.
Exploring Creative Writing Workshop

Fee £170.00 (Concessionary Fee £136.00)

Briony Goffin
This is a warm and lively class, suitable for both new and experienced writers. Emphasis is placed on exploration and experimentation, with the idea that each student learns about their own voice and exposes their own creative potential. Through sampling various written forms, from lists to letters, poetry to prose, fiction to memoir, students discover what feels natural and authentic, as well as extending what feels possible, to them as writers. The class will involve presentation, lively discussion and feedback.

10 weekly meetings
Tuesdays from 19:00 to 21:00
Starting 6 October 2020
This course will be taught online
10 Credits, Level 4
CRW20A5415A

People Watching: Exploring Characterisation

Fee £170.00 (Concessionary Fee £136.00)

Briony Goffin
This course uses people as its inspiration, from the people we’ve known, the people we’ve seen, the people we’ve overheard and the people we’ve imagined. Each class will explore a different aspect of characterisation and will look at how to grow memoir and fiction from the people of our lives. Via a variety of writing exercises and suggestions, students will amass a portfolio of original works built around luminous, three-dimensional and unforgettable characters. The teaching style will ensure a warm, supportive and stimulating environment for writers of all experiences.

10 weekly meetings
Thursdays from 13:00 to 15:00
Starting 13 January 2021
Continuing and Professional Education, 21 - 23 Senghennydyd Road, Cardiff
10 Credits, Level 4
CRW20A5168A

Novel Writing Workshop

Fee £170.00 (Concessionary Fee £136.00)

Dr Katherine Stansfield
Guided by a professional author, this is a course for anyone who has a book currently in them that they’d prefer to see sitting in a bookshop. What are the components that make a novel unputdownable? How can you ensure that your readers are enthralled? Looking at all genres of contemporary full-length fiction, this course will take you right through the novel-writing process, as well as offering guidance in the all-important art of attracting an agent and/or publisher.

10 weekly meetings
Wednesdays from 19:00 to 21:00
Starting 5 October 2020
This course will be taught online
10 Credits, Level 4
CRW20A4674A

Lynne Barrett-Lee
10 weekly meetings
Wednesdays from 10:00 to 12:00
Starting 13 January 2021
Continuing and Professional Education, 21 - 23 Senghennydyd Road, Cardiff
10 Credits, Level 4
CRW20A4674B
Reading and Writing Poetry

Fee £170.00 (Concessionary Fee £136.00)

Mab Jones
This course adheres to the sound advice that if you want to write poetry you should read it. It is open to anyone who wants to have a close but open-minded look at how poetry, in all its shapes and styles, succeeds in capturing the reader’s imagination. If you would enjoy this, and the inspiration to write your own poems, come and be part of a friendly, supportive class that welcomes all abilities.

10 weekly meetings
Thursdays from 13:00 to 15:00
Starting 8 October 2020
This course will be taught online
10 Credits, Level 4
CRW20A4679A

Further Adventures in Writing Crime Fiction

Fee £170.00 (Concessionary Fee £136.00)

Dr Katherine Stansfield
Developed as a continuation of Writing Crime Fiction and as a place for more experienced writers to hone their craft, this course explores strategies for structure, the role of twists, the power of setting, shaping secondary characters, and using narrative time with confidence.

10 weekly meetings
Mondays from 19:00 to 21:00
Starting 5 October 2020
This course will be taught online
10 Credits, Level 4
CRW20A5416A

Writing Crime Fiction

Fee £170.00 (Concessionary Fee £136.00)

Dr Katherine Stansfield
Are you passionate about crime novels? Would you like to try your hand at writing crime fiction? This course will introduce you to the building blocks of crime fiction, including plotting, character construction, writing convincing dialogue and how to build tension and create mystery and suspense. It will be particularly suitable for writers coming to this popular genre for the first time, but it will also suit more experienced writers who are wishing to learn more about what publishers of crime fiction are looking for.

10 weekly meetings
Mondays from 19:00 to 21:00
Starting 11 January 2021
Continuing and Professional Education, 21 - 23 Senghennydd Road, Cardiff
10 Credits, Level 4
CRW20A5166A

Young Adult Fiction

Fee £170.00 (Concessionary Fee £136.00)

Gemma Scammell
Young Adult (YA) Fiction is one of the most popular and growing markets within the publishing industry. But what makes a good YA novel? This practical creative writing course examines a range of genres, from the darkness of The Hunger Games to the feel good ‘up-lit’ of Kate Mallinder’s Summer of No Regrets. Includes Q&A sessions with successful writers.

10 weekly meetings
Thursdays from 17:00 to 19:00
Starting 8 October 2020
This course will be taught online
10 Credits, Level 4
CRW20A5307A

Life Writing

Fee £170.00 (Concessionary Fee £136.00)

Mab Jones
This course explores how writing can be used as a tool for developing personal wellbeing strategies. Suitable for all with an interest in the topic, regardless of previous experience. For full course details, see webpages. Enrolment in advance is absolutely essential.

10 weekly meetings
Wednesdays from 19:00 to 21:00
Starting 28 April 2021
Continuing and Professional Education, 21 - 23 Senghennydd Road, Cardiff
10 Credits, Level 4
CRW20A5231B

Writing for Wellbeing

Fee £170.00 (Concessionary Fee £136.00)

Joanne Meek
Taught by a qualified counsellor and creative writing practitioner, this online course explores how writing can be used as a tool for developing personal wellbeing strategies. Suitable for all with an interest in the topic, regardless of previous experience. For full course details, see webpages. Enrolment in advance is absolutely essential.

This course will start w/c 5 October.
This course will be delivered flexibly to fit with your work/life balance.
10 Credits, Level 4
CRW20A5421A

Writing for Children

Fee £170.00 (Concessionary Fee £136.00)

Dr Elen Caldecott
Successful children’s literature is a diverse and constantly changing field within the publishing world. But how do adults write for children and what do children even like reading? Taught by a published children’s author, Writing for Children is a practical creative writing course that gives students the tools to write with confidence.

10 weekly meetings
Wednesdays from 13:00 to 15:00
Starting 7 October 2020
This course will be taught online
10 Credits, Level 4
CRW20A5358A

PLACE, SPACE AND ENVIRONMENT

Cardiff Literature

**Fee £170.00 (Concessionary Fee £136.00)**

Dr Catherine Phelps
Cardiff was awarded city status in 1905 when it reached its peak as a conduit for Welsh industrial exports. This course explores how Cardiff has been imagined over the last century through literary texts, tracing the shifts in architectural regeneration and renewal, as well as recurring themes of loss, dispossession and disintegration.

10 weekly meetings
Wednesdays from 19:00 to 21:00
Starting 7 October 2020
This course will be taught online
10 Credits, Level 4
LIT20A5340A

Dystopian Literature

**Fee £170.00 (Concessionary Fee £136.00)**

Gemma Scammell
Dystopian fiction is a popular and growing field of literature in the publishing market. But why are we seeing increasing publications? What are the themes that draw readers to these stories and how do they reflect society today? This practical creative and critical writing course explores the genre of dystopian literature, examining its increasing popularity.

10 weekly meetings
Tuesdays from 10:00 to 12:00
Starting 12 January 2021
Continuing and Professional Education, 21 - 23 Senghennyd Road, Cardiff
10 Credits, Level 4
CRW20A5366A

Ageing and Memory: A Literary Approach

**Fee £170.00 (Concessionary Fee £136.00)**

Dr Catherine Phelps
We now live in a world where lifetimes span much longer than they did for the generations that went before us. Changes in medical care, the food we consume and the types of work that we do have led to changes in the way our society is formed. We are growing older. This module explores what it means to write about ageing and memory through literature and creative non-fiction.

10 weekly meetings
Tuesdays from 10:00 to 12:00
Starting 12 January 2021
Continuing and Professional Education, 21 - 23 Senghennyd Road, Cardiff
10 Credits, Level 4
LIT20A5372A

Environmental Writing

**Fee £170.00 (Concessionary Fee £136.00)**

Dr Elen Caldecott
Climate change, global warming, plastic pollution, sinking cities, drought. The world around us is in crisis and we, implicated as we are in its destruction, can often feel helpless in the face of impending catastrophe. This creative writing course will enable students to learn the tools of persuasive and intelligent environmental writing that has the potential to change hearts and minds.

10 weekly meetings

Learn with us and... use our highly specialised libraries
**WRITING FOR THEATRE, FILM AND TELEVISION**

**Short Film Workshop**

Fee £170.00 (Concessionary Fee £136.00)

Rachel Smith

Short film is one of the most dynamic and compelling modes of storytelling in modern culture. But what is the best way to approach writing for this medium? Taught by an experienced and award-winning writer and director, you’ll have the opportunity to explore how to write short film scripts with confidence.

- 10 weekly meetings
- Tuesdays from 19:00 to 21:00
- Starting 12 January 2021

Continuing and Professional Education, 21 - 23 Senghennydd Road, Cardiff
10 Credits, Level 4
CRW20A5419A

**Playwriting Workshop**

Fee £170.00 (Concessionary Fee £136.00)

Katherine Chandler

How does dialogue shape character? Why are silences and pauses so important in drama? Taught in a series of practical workshops, this module will introduce students to the basic principles of successful playwriting, from formulating an idea to developing strong characters. No previous experience is required.

- 10 weekly meetings
- Thursdays from 19:00 to 21:00
- Starting 14 January 2021

Continuing and Professional Education, 21 - 23 Senghennydd Road, Cardiff
10 Credits, Level 4
CRW20A5418A

---

**Rachel Davies**

I have worked in Higher Education most of my adult life and had dipped in and out of study. In 2014 I needed to do something purely for myself, so I enrolled on a media-based module at CPE.

I intended only on taking one course but my tutor, Dr Allaina Kilby, convinced me I should come back to do more. I ended up completing a Certificate of Higher Education (120 credits), enjoying modules across the media and humanities catalogue.

I was able to use this new portfolio of learning as a springboard to postgraduate study. I will soon be starting my second year on the MA Global Film & Television at the University of Hertfordshire, with the hope of later continuing on to a research programme. Without a doubt, my enriching time at CPE has altered the course of my life.

The modules are academically sound but aren’t intimidating. The tutors are welcoming, relatable and are excited by the subjects they teach. And if, like me, you have a disability that makes you think twice about saying yes, don’t worry. The support you need will be there.

My advice to anyone considering signing up would be just to go for it! Start with one module on a topic you love and see where it takes you. One module and an inspiring tutor launched me so much further than I could have imagined on that first evening sat in class.

If you have always wanted to learn more about English language, literature, creative writing, or philosophy then Inside Narratives is for you. The Inside Narratives Pathway to a Degree enables adult learners to progress onto undergraduate degrees in the School of English, Communication and Philosophy (ENCAP) at Cardiff University.

The Pathway will open up fascinating topics, whilst giving you the tuition and support you need to help you develop your skills and make the most of your abilities. You will learn about the stories we use to make sense of life, the codes and patterns that connect us to each other, and the big questions that have vexed our greatest thinkers for thousands of years.

Why should I enrol?

- There are no formal entry requirements.
- Our tutors understand the challenges that students can face when they are thinking about restarting their journey in education.
- Most Pathway courses are either held in the evenings or at weekends.
- You can study the Pathway at a pace that suits you – many students study either 30 or 60 credits per academic year.
- You will be fully supported to apply for a degree in ENCAP when you are ready.
- If you don’t want to commit to the Pathway just yet, or are simply interested in taking individual modules, you are still more than welcome to enrol.

Once you have successfully completed the Pathway, you are guaranteed an interview at ENCAP. Should you progress onto a degree programme, you will be eligible for ‘advanced standing’ of 60 credits – this means that these 60 credits will count towards the first year of your degree. Inside Narratives can lead to these specific degrees in ENCAP:

- English Literature
- English Language and Creative Writing
- English Language
- English Language and Literature
- Philosophy

Other options may also be possible, such as English Language and Philosophy, but students are strongly recommended to discuss their options with the Co-ordinating Lecturer before they choose their modules.

Pathways are designed for those with life experience and we warmly welcome applications from students who may have been away from formal education for some time.

If you would like to discuss the Pathway in more detail please contact Dr Michelle Deininger by emailing DeiningerMJ@cardiff.ac.uk or calling CPE Reception on 029 2087 0000.

How the Pathway works

Inside Narratives is made up of 60 credits.
Each module is worth 10 credits.

To study a particular degree subject after the Pathway, you must study the appropriate core module. All the Inside Narratives core modules have the word ‘Inside’ in the title.

If you want to apply for the degree in English Literature and Creative Writing, pick Inside Literature, Inside Creative Writing, and Inside Poetry.

If you’re not sure which degree you’d like to do after the Pathway, make sure you pick a range of core and optional Pathway modules that you find interesting, totalling 60 credits.

If you want, you can pick ONE suitable 10 credit module from the main prospectus instead of a Pathway module*.

* For example, students interested in Creative Writing could pick Environmental Writing, Digital Publishing, or one of the children’s or young adult creative writing courses.

tel: 029 2087 0000 www.cardiff.ac.uk/learn
What is the relationship between writers and reading? Why do authors explore the human tendency to overreach? How do texts explore the end of the world? Why do authors explore the human condition? Why do authors explore the human potential? What makes a poem? What makes a poet? How can reading poetry shape our lives? What is language? How do children learn language? Do animals use language? We will investigate these questions and more in order to understand the value and importance of language study in the modern world.

This course will be taught online
9 weekly meetings
Wednesdays from 17:00 to 19:00
Starting 3 February 2021
Continuing and Professional Education, 21 - 23 Senghennydd Road, Cardiff
10 Credits, Level 4
ENG20A5312A

Fee £225.00 (Concessionary Fee £180.00)

Ada Huggott-Fieldhouse

Inside Language

This module will introduce students to some of the big questions involved in the study of language. What is language? How do children learn language? Do animals use language? We will investigate these questions and more in order to understand the value and importance of language study in the modern world.

This course will be taught online
9 weekly meetings
Thursdays from 19:00 to 21:00
Starting 4 February 2021
Continuing and Professional Education, 21 - 23 Senghennydd Road, Cardiff
10 Credits, Level 4
ENG20A5312A

Fee £225.00 (Concessionary Fee £180.00)
The Power of Pragmatics: Language In Context

Fee £225.00 (Concessionary Fee £180.00)

Ada Huggett-Fieldhouse
How does speech work? What do speakers do when using and understanding language? This course explores the linguistic and non-linguistic cues, methods and systems which enable us to understand and to be understood. Drawing on real-life examples of language use, from radio, TV, magazines, and blogs, we’ll examine how we manage to navigate the unpredictability of human communication.

3 Online Day Schools
Saturdays 8 May, 15 May and 29 May 2021
10 Credits, Level 4
ENG20A5021A

How to Navigate the Apocalypse

Fee £225.00 (Concessionary Fee £180.00)

Dr Michelle Deininger
The end of the world has a long and healthy history. In this online module, we will trace the development of (post)apocalyptic texts in the Western tradition, from its earliest beginnings to its rise in popularity during the modern era. Students will be prepped with an understanding of cultural and historical contexts, and attain access to a stockpile of essential critical resources.

Online
Starting 4 May 2021
10 Credits, Level 4
MED20A5375A

Working-Class Writing

Fee £225.00 (Concessionary Fee £180.00)

Dr Catherine Phelps
The literary canon has come under much interrogation in recent years. Who creates the canon? What makes ‘classic’ literature? Why and how have women and those of different ethnicities been excluded? This module examines another group who have been similarly excluded from the canon: the working class. Students will be introduced to writings which include a working-class voice and asks how working-class experiences may shape English literature.

9 weekly meetings
Tuesdays from 17:00 to 19:00
Starting 19 January 2021
Continuing and Professional Education, 21 - 23 Senghennyd Road, Cardiff
10 Credits, Level 4
LIT20A5374A

New Ways of Reading: Ideology and the Text

Fee £225.00 (Concessionary Fee £180.00)

Dr Michelle Deininger
Dr Catherine Phelps
Rachel Smith

How do our beliefs, prejudices and assumptions change the way we see the world? How can new ways of reading shift our perceptions? What does it mean to read through the lens of environmentalism or feminism? Why should we study the relationship between film and ideology? This course opens up as many questions as you can think of, and more besides

3 Day Schools
10:00 to 17:00

ENG20A4996A

S T U D E N T T E S T I M O N I A L S

Sarah Watkins

"Before starting evening classes, I had never studied philosophy before. In Dr Clea Rees’s philosophy classes, this didn’t feel like it mattered. The engaging and accessible way that the modules are taught helped me feel able to make meaningful contributions to class discussions even without any prior knowledge. These modules revealed a love of philosophy that I didn’t know I had, and this interest in the subject motivated me to complete the Inside Narratives pathway and embark on a degree in philosophy. The multi-subject nature of the pathway has also helped my degree, giving me tools from other subjects that augment my philosophy study (including modules like New Ways of Reading). Above all I am grateful to the Inside Narratives tutors and the Pathway itself for igniting a love of learning and also enabling me to undertake a degree, which previously seemed impossible."

www.cardiff.ac.uk/learn

tel: 029 2087 0000
The Pathway to Media gives you the opportunity to ask these kinds of questions, and loads more besides, and will give you a thorough grounding in the skills that you’ll need to study a degree in media, journalism and culture at Cardiff University. The Pathway leads directly into the three undergraduate degrees offered within the School of Journalism, Media and Culture (JOMEC) at Cardiff, a school which has an international reputation for the quality of its research.

Why Enrol on a Pathway?

- There are no formal entry requirements.
- Our tutors understand the challenges that students can face when they are thinking about restarting their journey in education.
- Most Pathway courses are either held in the evenings or at weekends.
- You can study the Pathway at a pace that suits you.
- You will be fully supported to apply for a degree in the School of Journalism, Media and Culture when you are ready.
- If you don’t want to commit to the Pathway just yet, or are simply interested in taking individual modules, you are still more than welcome to enrol.

If you’re interested in finding out more about the Pathway to Media, please contact Dr Michelle Deininger Co-ordinating Lecturer in Humanities, by emailing DeiningerMJ@cardiff.ac.uk Alternatively, you can call CPE Reception on 029 2087 0000.

Have you always wanted to know more about the media? Are you intrigued by the impact of social media on our privacy, how news stories become headlines, or why films about the end of the world are so popular?

How the Pathway works

The Pathway to Media is made up of 60 credits. To complete the Pathway you must study the Core Module, Introduction to Media, Journalism and Culture (20 credits).

Option 1: Pick FOUR other modules on the Media Pathway to get your 60 credits.

Media Pathway Modules
- The Media and Me
- Propaganda and Persuasion
- The World of Cinema
- How to Navigate the Apocalypse
- New Ways of Reading

Option 2: Pick THREE Media Pathway courses, plus ONE other suitable module from the main prospectus.

Other suitable modules* include:
- Community Journalism
- Digital Publishing
- Women in Film

*Other options may also be available at the discretion of the Co-ordinating Lecturer.
The Media and Me: Gender, Sexuality and Identity

Fee £225.00 (Concessionary Fee £180.00)

Dr Siriol McAvoy
How does advertising construct gender? How is LGBTIQA+ identity represented in film, TV and the news? Why are these questions so important? From dismantling heteronormativity to understanding the power of the language we use to frame sexuality and gender, this course provides the opportunity to reconsider how we view ourselves and our world.

9 weekly meetings
Thursdays from 19:00 to 21:00
Starting 8 October 2020
This course is the core 20 credit module on the Pathway to Media.

10 Credits, Level 4
MED20A5250A

Introduction to Media, Journalism and Culture

Fee £450.00 (Concessionary Fee £360.00)

Dr Susan Bisson
What does it mean to study the media? How do we study journalism? Why is the study of culture important? This course explores key areas of modern media and the history of media and news production. This course is the core 20 credit module on the Pathway to Media.

12 weekly meetings
Tuesdays from 18:30 to 21:00 plus 2 Saturday Day Schools
Starting 29 September 2020
This course will be taught online
20 Credits, Level 4
MED20A5316A

The World of Cinema

Fee £225.00 (Concessionary Fee £180.00)

Dr Rhys Tranter
This module explores the rich world of cinema, considering key technological, conceptual, theoretical and aesthetic issues in order to gain a better insight into the films themselves, the companies that produce them, the money that goes into them, and the audiences who love, and sometimes hate, them.

9 weekly meetings
Tuesdays from 19:00 to 21:00
Starting 2 February 2021
Continuing and Professional Education, 21 - 23 Senghennydd Road, Cardiff
10 Credits, Level 4
MED20A5310A
I have always considered myself a feminist, but having completed the Media and Me module, I find myself marveling at how little I knew, and still know, about the portrayal and use of gender in mainstream media. I find myself breaking down adverts and analyzing them in a way that I could never have done and would never have thought to do before. I feel like I’ve been given a new tool kit to play with, one filled with theories that I can use to understand modern media and language.

Shahida Begum, Pathway to Media student.
PHILOSOPHY

Introducing Social and Political Philosophy

Fee £170.00 (Concessionary Fee £136.00)

Dr Clea Rees

What grounds political authority? Which forms of government are just? What is oppression? What is the nature of equality? This course introduces students to a variety of topics in social and political philosophy, focusing primarily on ideas from the western analytic tradition. No previous knowledge of philosophy is assumed.

10 weekly meetings
Mondays from 14:00 to 16:00
Starting 5 October 2020
This course will be taught online
10 Credits, Level 4
PHI20A4669A

Philosophy of Feminism

Fee £170.00 (Concessionary Fee £136.00)

Dr Clea Rees

Does biology or identity determine sex? Is sex really binary? Do women have anything of social and political significance in common, regardless of class, race, sexuality etc.? What does equality require? Is affirmative action justified? We will explore ethical and political questions concerning sex and society. No previous philosophy required.

10 weekly meetings
Mondays from 14:00 to 16:00
Starting 1 February 2021
John Percival Building, Colum Drive, Cardiff
10 Credits, Level 4
PHI20A4669A

Environmental Philosophy

Fee £170.00 (Concessionary Fee £136.00)

Dr Julian Ryall

What do we mean when we talk of the “natural world”? How can philosophy help us think about our relationship with the environment? This course explores some key texts within environmental philosophy and examines the complex interplay between the natural world and humanity’s place within it. No previous experience of philosophy is required.

10 weekly meetings
Tuesdays from 19:00 to 21:00
Starting 2 February 2021
John Percival Building, Colum Drive, Cardiff
10 Credits, Level 4

PHI20A5380A

Philosophy of Religion: An Introduction

Fee £170.00 (Concessionary Fee £136.00)

Rachel Smith

Can we prove the existence of God via intellectual means? This course examines how philosophers have responded to the claim that ‘God is good’ and the challenge to that claim posed by the existence of suffering. Arguments discussed will be predominantly from the Western philosophical tradition; however, views from non-Western traditions, such as Buddhism, will be referenced throughout the course. No previous experience required.

The Garden and Culture

**Fee £170.00 (Concessionary Fee £136.00)**

**Stephen Parker**

In the modern era the ‘artist-gardener’ came of age, Painters, photographers, writers and sculptors became gardeners. The artist’s love of gardens and flowers generated new opportunities to experiment with colour, themes and emotions, as the garden emerged as a major subject in modern art and culture. These gardens would fulfil a symbolic function and provide a commentary on the aesthetic and social attitudes of the modern era.

Exploring Greek Art: From Iron Age to Classical Period

Fee £170.00 (Concessionary Fee £136.00)

Dr Christina Hatzimichael Whitley

This course covers the art and culture of Greece from the Iron Age to the Classical period. It deals with sculpture, architecture, painted pottery and wall painting. It places these artistic developments in their social, political and historical context. Sites covered include Athens, Olympia, Delphi, Vergina, and Nikopolis. The course will focus on art but it will also discuss topics such as gender and sexuality, burial and society, religion and iconography, and landscape and the countryside.

10 weekly meetings
Tuesdays from 17:00 to 19:00
Starting 12 January 2021
John Percival Building, Column Drive, Cardiff

10 Credits, Level 4
AAA20A4925A

Victorian Art and Society

Fee £170.00 (Concessionary Fee £136.00)

Dr Angela Morelli

The course will explore the wide-ranging and iconic art produced during the reign of Queen Victoria (1837-1901). The course examines the inspiration provided by classical and medieval art, the rise of the middle classes as patrons and audiences, and how mass produced art influenced and shaped attitudes towards morals, class, race and gender.

Music in the Community Award 2020

Nominations are invited for the Leonard and Marian Jones Music in the Community Award. This award is given to an individual or individuals who have made an outstanding contribution to the links between any aspect of music and the community, in and around the South Wales region.

Please send in your nominations to Dr Michelle Deininger – DeiningerMJ@cardiff.ac.uk – by Friday 18th December 2020 at the very latest. The nomination must be made by an individual or an individual representing a group.

To nominate an individual or a group for the award, you must

- State the name and contact details of the nominee
- Write a supporting statement of no more than 500 words. This statement must address the following criteria:
  - How has the nominee made an outstanding contribution to the links between music and the community?
  - What impact has the nominee and their project made on the community?
  - How is the nominee’s project sustainable in the longer term?

The winner(s) will be announced in February 2021 and the award will be presented at our Annual Awards Evening in March 2021.
Exploring the Past
Our award-winning part-time pathway in history, archaeology and religion

Exploring the Past has been developed to help you realise your ambition to study history, ancient history, archaeology or religion at degree level. It allows you to study within a timescale, framework and environment designed specifically to cater for the needs of busy adult learners.

Exploring the Past is made up of six exciting and innovative 10-credit modules in archaeology, religious studies and history – ancient, medieval and modern. The pathway is intended to prepare you for Higher Education, giving you the skills and experience you need to study these subjects at Cardiff University.

An exciting alternative to A Level and Access qualifications Unlike A Level and Access routes, the Exploring the Past Pathway is taught and assessed in similar ways to first year undergraduate courses and provides you with first-hand experience of studying at degree level in a vibrant Higher Education environment. Even better, you don’t need any prior qualifications to get started.

A clear pathway onto a degree All students who successfully complete the Exploring the Past Pathway will automatically qualify for an interview onto either a full-time or part-time degree scheme in history, ancient history, archaeology or religion. If you are then accepted onto a degree you will be eligible for ‘advanced standing’ of 60 credits. This means that credits from your Exploring the Past modules can contribute directly towards the first year of your degree.

A flexible route that fits around you The Exploring the Past Pathway is designed to support and fit around adult learners with busy lives, with modules taught at evenings and weekends.

In addition, you can take between one and three years to complete the pathway, taking modules as and when they fit around your other commitments.

An affordable way into university study The Exploring the Past Pathway offers a route into university that is flexible, open, inclusive, and affordable. Once you start studying on the pathway you can also access expert advice on the best way to fund your studies should you go on to a degree.

To receive further information about the Exploring the Past Pathway, please visit our website or contact Dr Paul Webster, Pathway Co-ordinator, by phoning 029 2087 5610 or emailing websterp@cardiff.ac.uk

Please note that if you already have a Higher Education qualification you may not be eligible for government funding if you decide to progress on to a degree.

‘Advanced standing’ applies only to single and joint honours degree schemes delivered solely by the School of History, Archaeology and Religion. It may not apply to degree schemes delivered jointly with other schools as they will have their own requirements. Permission to ‘opt in’ 10 credits from Choices to the Pathway will be at the discretion of the Pathway’s Co-ordinator.
GROUP 1: CORE MODULES

Exploring the Past: History

Fee £225.00 (Concessionary Fee £180.00)

Dr Melissa Julian-Jones
What is History? This course will equip you with skills for studying the past. We will explore ideas about nation and identity in the British Isles, from the Middle Ages to the present, considering national myths, ethnicity and ideas about heritage, whilst also examining themes such as what history is and how it is used by different societies.

9 weekly meetings
Starting 1 October 2020
This course will be taught online
10 Credits, Level 4
HIS20A4596A

Exploring Religion: Past and Present

Fee £225.00 (Concessionary Fee £180.00)

Gina Bevan
This course will enable you to analyse world religions from a variety of perspectives, including historical, anthropological, textual, and psychological approaches. We will look at religious identity, secularism, sacred texts, religious law, religious authority, and sacred places, as well as exploring ancient religious writings, ethnography, and critical theory linked to the study of religions both ancient and modern.

9 weekly meetings
Starting 21 April 2021
This course will be taught online
10 Credits, Level 4
HIS20A4707A

The Invisible Greeks: The Forgotten Lives of an Ancient People

Fee £225.00 (Concessionary Fee £180.00)

Dr Charlotte Pickard
What was the role of the queen in the medieval world? Using examples from England, France and the Spanish kingdoms between the twelfth and the fifteenth centuries, this course investigates the relationship between royal women and power, considering the perpetuation of dynasties, queens as politicians and as outright rulers, and as patrons of religion and culture.

6 weekly meetings
Starting 1 February 2021
John Percival Building, Colum Drive, Cardiff
10 Credits, Level 4
HIS20A5217A

GROUP 2: OPTION MODULES

Exploring the Past: Archaeology

Fee £225.00 (Concessionary Fee £180.00)

Dr Christina Hatzimichael Whitley
What is archaeology and what is the role of the archaeologist in the interpretation of the past? This course introduces a wide variety of archaeological approaches and techniques, using stimulating case studies to explore the reconstruction of past landscape and agriculture, technology, trade, diet, burial practices, beliefs, cultural identities and the lives of individuals and communities.

9 weekly meetings
Starting 14 January 2021
John Percival Building, Colum Drive, Cardiff
10 Credits, Level 4
HIS20A4599A

If These Finds Could Talk: The Archaeology of Objects

Fee £225.00 (Concessionary Fee £180.00)

Katie Faillace
What do archaeologists do with the things that they find? This module introduces a range of finds from archaeological sites, considering their significance as a means of exploring the past, and how they can be preserved and presented for current and future generations. Students will also compile their own ‘digital museum’, assessing sites, finds and their significance.

9 weekly meetings
Starting 5 October 2020
This course will be taught online
10 Credits, Level 4
ARC20A5335A

Medieval Queenship

Fee £225.00 (Concessionary Fee £180.00)

Dr Charlotte Pickard
What was the role of the queen in the medieval world? Using examples from England, France and the Spanish kingdoms between the twelfth and the fifteenth centuries, this course investigates the relationship between royal women and power, considering the perpetuation of dynasties, queens as politicians and as outright rulers, and as patrons of religion and culture.

6 weekly meetings
Starting 1 February 2021
John Percival Building, Colum Drive, Cardiff
10 Credits, Level 4
HIS20A5217A
Migration and the Making of Multicultural Britain

Fee £225.00 (Concessionary Fee £180.00)

Natalie Hughes
Migration and the free movement of people have a long history. This course explores the relationship between migration and modern British history, discussing economic, social, military, religious and political themes. We will consider how the history of communities has been written, and how identity, race and gender shape views of the past, present and future of multicultural Britain.

5 weekly meetings
Tuesdays from 18:00 to 21:00
Starting 2 February 2021
John Percival Building, Colum Drive, Cardiff
10 Credits, Level 4
HIS20A5363A

Art and Archaeology of Empires: Rome meets Byzantium

Fee £225.00 (Concessionary Fee £180.00)

Dr Christina Hatzimichael Whitley
Through the study of pottery, painting, mosaics, monumental sculpture, ivory carvings, gems, and private and public architecture, this course will introduce students to the history, archaeology and art of the Roman and Byzantine periods in the Mediterranean world (200 BC - 1453 AD). We will consider the relationship between art and society, politics, economy, gender and religion.

5 meetings
Thursdays 22 and 29 April 2021 from 18:00 to 21:00
Fridays 23 and 30 April 2021 from 18:00 to 21:00
Saturday 24 April from 10:00 to 17:00
Continuing and Professional Education, 21 - 23 Senghennydd Road, Cardiff
10 Credits, Level 4
HIS20A5401A

Ioan McCarthy: From Exploring the Past to Study Abroad

After completing the Exploring the Past Pathway at Continuing and Professional Education in 2015, Ioan McCarthy graduated from Cardiff University’s School of History, Archaeology and Religion in 2019, with a BA in Archaeology and History. Ioan is the first pathways student to participate in the university’s degree with a year of study abroad.

I decided to come back to Higher Education after six years at work. I met the Exploring the Past co-ordinator at an open day. He explained how accessible and affordable the pathway was, thanks to the finance options available, so I decided to sign up.

After starting my degree, I took the opportunity to study abroad, which I did at one of Scandinavia’s finest institutions, the University of Oslo, through the degree with a year of study abroad scheme. Soon I found myself living and studying in a beautiful and fascinating country. I had not expected to be able to pursue this upon entering the Exploring the Past Pathway, and owe this happy opportunity to the programme.

I would encourage anyone interested in History (ancient, medieval or modern), Archaeology or Religious Studies to follow in my footsteps: Often, when speaking to others who share my interests, I hear things such as “it’s too late for me” or “it’s just not affordable”, but when I show them the opportunities available, the same opportunities I was given, you can see the aspiration come alive as it did for me.

Ioan has recently been accepted to study for an MSc in Archaeology at Oxford University. Congratulations Ioan and all best wishes for your future studies!
Archaeological and Historical Fantasy: From Boudica to the Bard
Fee £225.00 (Concessionary Fee £180.00)

Dr Juliette Wood
The rich and varied fantasy worlds described in contemporary novels, games, films and television series intertwine Vikings, Cets, Saracens and Samurai with exotic locations and multi-cultural mythic themes. This module traces how fantastic worlds integrate historical sources and archaeological research into fantasy, and how this interplay shapes our attitudes to what is real and what is not.

9 weekly meetings
 Thursdays from 18:00 to 20:00
Starting 6 May 2021
Continuing and Professional Education, 21 - 23 Senghennydd Road, Cardiff
10 Credits, Level 4
ARC20A5400A

Life, Love and Death in Early Modern England
Fee £225.00 (Concessionary Fee £180.00)

Dr Rachel Bowen
On first glance, life in early modern England followed a similar pattern to our own, but closer analysis shows that life stages and rituals were often quite different. This course explores the life cycle in early modern England from birth to death, examining topics including childhood, marriage, work and old age.

6 weekly meetings
Mondays from 18:00 to 21:00
Starting 10 May 2021
Continuing and Professional Education, 21 - 23 Senghennydd Road, Cardiff
10 Credits, Level 4
HIS20A5271A

Cities, Civilisations and Empires: The Ancient Near East
Fee £225.00 (Concessionary Fee £180.00)

Dr Alun Williams
Traditional histories of the ancient world have placed the development of cities and civilisation in the Ancient Near East, following this with accounts of the Babylonian, Assyrian and Persian empires prior to their conquest by Alexander the Great. This course examines these societies, using literary and archaeological evidence to question assumptions about the rise of the city, the problematic idea of ‘civilisation’, and the concept of ‘empire’.

3 meetings
10:00 to 17:00
Saturdays 5, 12 and 26 June 2021
Continuing and Professional Education, 21 - 23 Senghennydd Road, Cardiff
10 Credits, Level 4
HIS20A5314A

The Exploring the Past FREE Lecture series

Our free lecture series presents an exciting window into history, archaeology, literature and religion. Adult learners can enjoy a glimpse into research carried out by Cardiff University academics and beyond to give you a taste of academic study. We hope our popular series will return soon, and are making plans for the lectures to be delivered online in the first instance. We will keep our website updated and email our students and subscribers when the lectures resume.

tel: 029 2087 0000

Modern Languages

Our exciting programme of modern languages gives you an excellent opportunity to study a language from scratch and/or improve your existing language skills to a very high standard. For the fluent speakers of a foreign language we offer a good range of culture courses taught in the target language which give students some insight into the history, literature and social aspects of the countries in which these languages are spoken.

Enrolling on a language and/or course is the perfect way to make new friends, improve your confidence, keep your mind active and possibly improve your job prospects.

Our language courses are taught by qualified tutors, most of whom are native speakers.

By studying one of our language courses, you can gain credits and work towards a qualification, either the Certificate/Diploma in the language of your choice, or you could even join our Pathway to a Degree in Modern Languages or Translation programme in the highly ranked School of Modern Languages.

You will find most of our courses in this brochure, however, there will also be additional beginners courses in some languages starting in January 2021. These will be advertised on our website early December 2020. We also have a summer school programme in June/July 2021 and a separate brochure for these will be available end of March 2021.
This table helps you find your level however we know that in some cases this can be difficult. This is why you have the option of switching from one course to another during the first few weeks.

<table>
<thead>
<tr>
<th>Recommended Level of Competence at Entry</th>
<th>Stages</th>
<th>Level of Competence reached at end of stage course (All Languages)</th>
<th>Common European Framework of Reference</th>
</tr>
</thead>
<tbody>
<tr>
<td>You have no previous knowledge of the language.</td>
<td><strong>STAGE A</strong></td>
<td>Basic survival skills: understanding basic written and spoken tests; taking part in simple conversation; conveying simple information in writing.</td>
<td>Preparation for A1</td>
</tr>
<tr>
<td></td>
<td><strong>STAGE A+</strong></td>
<td>Stage A+ has been created as a bridge between Stage A and Stage B.</td>
<td></td>
</tr>
<tr>
<td>You may have studied the language a long time ago and you may be a bit rusty now (one year's part-time study or 'rusty' GCSE in the language studied).</td>
<td><strong>STAGE B</strong></td>
<td>You should have a sufficient vocabulary for coping with everyday situations with predictable content and simple survival needs. You should be able to handle very short social exchanges. You should be able to understand a simple description.</td>
<td>Preparation for A2</td>
</tr>
<tr>
<td>You may have acquired survival skills in the language and had some opportunity to use the language recently (two years' part-time study or a good recent GCSE pass in the language studied).</td>
<td><strong>STAGE C</strong></td>
<td>You should be able to confidently cope with everyday situations. You should be able to make and respond to invitations, apologies, etc. You should be able to understand a simple and direct exchange of limited information on familiar and routine matters.</td>
<td></td>
</tr>
<tr>
<td>You may have had a good command of the language some time ago and you want to reactivate and build upon your comprehension and expression (three years' part-time study or 'rusty' A-Level in the language studied).</td>
<td><strong>STAGE D</strong></td>
<td>You should have enough language to get by, with sufficient vocabulary to understand topics such as family, hobbies and interests, work, travel, and current events. You should be able to understand the main points in an idea or problem with reasonable precision.</td>
<td>Preparation for B1</td>
</tr>
<tr>
<td>You have recently completed an A-Level in the language studied and you are ready to take it a step further (four years' part-time study or A-Level in the language studied).</td>
<td><strong>STAGE E</strong></td>
<td>You should have a sufficient range of language to be able to understand descriptions and arguments on most topics related to family, hobbies and interests, work, travel, and current events. You should be able to identify unfamiliar words from the context on topics related to your field/interests.</td>
<td>Preparation for B2</td>
</tr>
<tr>
<td>You have a very good working knowledge of the language and you want a stimulating course to match and stretch your competencies (five years' part-time study or Advanced Stage D).</td>
<td><strong>STAGE F</strong></td>
<td>You should be able with some effort to keep up with fast and colloquial discussions. You should be able to understand detailed information reliably.</td>
<td>Preparation for C1</td>
</tr>
<tr>
<td>You have an excellent command of the language and use it on a regular basis. This level will enhance your near-native language skills (six years' part-time study or Advanced Stage F).</td>
<td><strong>STAGE G/H</strong></td>
<td>You should have a good command of broad lexical repertoire and a good command of idiomatic expressions and colloquialisms. You should be able to understand language effectively for social purposes, including emotional, affective and joking usage.</td>
<td></td>
</tr>
</tbody>
</table>

**International Language Examinations in Chinese, French, German, Italian, Japanese and Spanish**

You can sit the following examinations:
- DELF/DALF (French)
- CILS (Italian)
- DELE (Spanish)
- Goethe Zertifikat (German)
- HSK (Chinese)
- JLPT (Japanese)

For more information, please contact us at email: languages@cardiff.ac.uk  Tel: 029 2087 4183
www.cardiff.ac.uk/modern-languages/about-us/international-language-qualifications
Our Chinese programme is delivered by colleagues from the Cardiff Confucius Institute and provides courses in Mandarin Chinese from absolute beginners to advanced level. As well as enjoying quality teaching, you will benefit from regular cultural events organised by the Confucius Institute.

If you have any enquiry, please do not hesitate to contact Professor Lifang Lin.
Tel: 029 2087 5234; Email: LinL11@cardiff.ac.uk
By studying Chinese through CPE you automatically benefit from having access to the Cardiff Confucius Institute, a centre dedicated to the provision of Chinese language teaching and cultural activities across Wales. This means that in addition to your Chinese language classes, you could benefit from:

- Regular ‘Chinese Corners’ during term time
- Special cultural events throughout the year both within and outside the University
- The opportunity to take the HSK examinations from levels I to VI
- A sponsored trip to China to visit our partner University, Xiamen, and one other city
- Language exchange activities

Speak to your Chinese tutor, visit our website www.cardiff.ac.uk/confucius-institute/ or email us at confucius@cardiff.ac.uk for more information.

Intensive Language Courses

Every summer we run intensive language courses in June/July. Information will be available from our website and Reception in April.

These courses are ideal if:
- Your language course ended in the spring and you would like to get extra practice during the summer
- You would like to try a new language to see if you’d enjoy it;
- You’re planning to go abroad this summer and want to learn basic phrases or brush up on existing language skills.

These courses are good value for money and are usually very popular.

We look forward to seeing you!

Espana, siglo XXI

Fee £384.00 (Concessionary Fee £307.00)

Cristina Moroy
Este curso está orientado para estudiantes de nivel avanzado que quieran seguir practicando sus destrezas auditivas y orales además de adquirir nuevos conocimientos históricos y culturales. En este curso se verán temas actuales de España como la situación política, situación social, arte y literatura (nuevas tendencias y autores) y el español en el mundo. Para cubrir estos temas se utilizará una gran variedad de recursos tales como presentaciones, recortes de prensa, documentales, documentos de televisión y lecturas. Los estudiantes tendrán la oportunidad de practicar sus destrezas orales y escritas mediante discusiones, debates y presentaciones cortas. También podrán practicar y mejorar sus conocimientos léxicos y gramaticales a través de comentarios de texto, redacciones y actividades de gramática y vocabulario.

20 weekly meetings
Thursdays from 13:00 to 15:00
Starting 1 October 2020
This course will be taught remotely via an Interactive Online Classroom
20 Credits, Level 5

The Pathway to a degree opens a lot of doors

Judy was working as an Orthopaedic Surgeon but had held a lifelong passion for languages and translation. She returned to study an undergraduate degree in Translation with German and Spanish to fulfil this interest after completing a pathway. Studying a Pathway with Continuing and Professional Education provided Judy with a clear route to undergraduate studies at the School of Modern Languages at Cardiff University and she is passionate about promoting this opportunity to other adult learners.

“The Pathway to Modern Languages and Translation offered me flexibility, I was able to continue working part-time whilst studying and the tutors were very friendly and helpful. I have developed my translation skills and improved my German and Spanish fluency. I also took part in many events and enjoyed being able to support and encourage other students. The Pathway to a degree opens a lot of doors and interests. I would thoroughly recommend it!”

Judy is now studying a part-time MA in Translation at Cardiff University and volunteering as a translator. We wish her continued success and thanks for sharing her story with us.

If you would like to develop your language/translation skills and study a degree like Judy, contact Helga Eckart or visit our website for more details.
This part-time Pathway has been developed to help you to translate your love of languages into a degree level qualification.

The Pathway to a Degree in Modern Languages is a collaboration between Continuing and Professional Education and the School of Modern Languages at Cardiff University. It combines our vast experience of supporting adult learners with the School's exciting teaching and research expertise. Pathway modules are taught by people who have expert subject knowledge and the ability to support, inspire and share their learning with you.

The Pathway to a Degree in Modern Languages is made up of 60 credits of study. It is therefore equivalent to 50% of the first year of a degree and is intended to provide you with the linguistic skills and intellectual preparation needed to study for a degree in Modern Languages at Cardiff University.

You have the choice: to focus on one language (Single Honours) or study two languages (Joint Honours). The four languages you can choose from are: French, German, Italian and Spanish.

For a Single Honours degree, depending on your level of proficiency, you would need to obtain Stages E and F or Stages F and G.

If you are thinking about a degree which focuses on two languages (Joint Honours) then you would need to take 30 credits in your stronger language at Stage F or G and another 30 credits in your other language at Stage E or higher.

It usually takes a little under a year to complete 30 credits, so under normal circumstances you would finish the pathway in two years, although there may be opportunities to complete it more quickly. Indeed you may have already studied some of the modules you are required to complete.

However, we know that sometimes other things in life can get in the way of study so can take up to three years to complete the pathway if you need to.

Pathway to a Degree in Modern Languages

Single Honours Degree
(One language)

- 30 credits at Stage E or F in French, German, Italian or Spanish
- 30 credits at Stage F or G in the same language

Joint Honours Degree
(Two languages)

- 30 credits at Stage E or F in French, German, Italian or Spanish
- 30 credits at Stage E or higher in a different language

You will find all of the Stage E, F and G courses in French, German, Italian and Spanish on offer this Autumn in the Modern Languages section and look for the following symbol.

So if you’re driven by a love for languages and a desire to take your study of them further, contact us today!

Learn with us and...realise your learning potential!
Our Public Service Interpreting (PSI) programme has been designed, with initial funding from the Welsh Government, to introduce bilingual students to the profession including role boundaries, professional conduct, terminology and practical issues, as well as to help those already working as interpreters to assess and further develop their interpreting and other professional skills and to offer guidance to students who are considering or preparing for the Diploma in Public Service Interpreting (DPSI) or Diploma in Police Interpreting (DPI) examinations.

The DPSI and DPI are qualifications independently awarded by the Chartered Institute of Linguists (CIOL) as a means of quality control for public service interpreters. The DPSI and DPI examinations are open to anyone regardless of whether they have completed any courses. Students who do not wish to sit the DPSI or DPI examination are also welcome to attend the courses. Entry to the exam is separate procedure for which separate fees are payable. More information about it can be found at www.ciol.org.uk

The courses are delivered in English only.

We also offer online preparation courses for the Chartered Institute of Linguists’ Diploma in Translation (DipTrans) from French and Spanish into English. These high-level courses are aimed at native English speakers and graduates (or equivalent) in French or Spanish. For more information, write to languages@cardiff.ac.uk

Cardiff University is an Examination Centre for the DPSI, DPI and the Diploma in Translation (see online pages on Language Qualifications).
Professional Conduct in Public Service Interpreting

Fee £170.00 (Concessionary Fee £136.00)

Zora Jackman
This course is suitable for students who are new to interpreting as well as for practicing interpreters and covers the practical and ethical issues associated with working as a public service interpreter in the UK and the understanding, knowledge and skills required. It will include professional conduct and development, terminology research and interpreting skills.

10 weekly meetings
Thursdays from 11:00 to 13:00
Starting 1 October 2020
This course will be taught remotely via an Interactive Online Classroom
10 Credits, Level 4
IAT20A5078A

Public Service Interpreting - Health

Fee £474.00 (Concessionary Fee £379.00)

Zora Jackman
This course is designed to support bilingual students in the development of the skills, knowledge and understanding required to work as public service interpreters in health settings and in their preparation for the Health pathway of the Diploma in Public Service Interpreting (DPSI) examination run by the Chartered Institute of Linguists.

19 weekly meetings
Wednesdays from 11:00 to 14:00
Starting 13 January 2021
Continuing and Professional Education, 21 - 23 Senghennydd Road, Cardiff
30 Credits, Level 4
IAT20A4740A

Have you made a note of your course venue?
Details are in the course description!
Public Service Interpreting - Criminal Justice

Fee £474.00 (Concessionary Fee £379.00)

Zora Jackman
This course is designed to support bilingual students in the development of the skills, knowledge and understanding required to work as public service interpreters in Criminal Justice settings. It offers guidance on preparation for the Diploma in Police Interpreting (DPI) and the Diploma in Public Service Interpreting (DPSI) examinations run by the Chartered Institute of Linguists (www.ciol.org.uk) but students who are not planning to sit the examinations are also welcome.

19 weekly meetings
Wednesdays from 17:00 to 20:00
Starting 13 January 2021
Continuing and Professional Education, 21 - 23 Senghennydd Road, Cardiff
30 Credits, Level 4
IAT20A5293A

Our Award Winning Language Centre

This is the second consecutive year that Continuing and Professional Education (CPE) and Cardiff School of Modern Languages (MLANG) have received recognition from the Chartered Institute of Linguists (CIOL) for being an exceptional language examination centre.

This year we have received two CIOL awards. We repeated last year’s success when we received the Nuffield Trophy for the Best Group Entry in the Diploma in Public Service Interpreting. This year we also achieved The Best Entry in the Diploma of Translation. These prizes are awarded to centres where candidates have achieved the highest combined scores across all the examination centres in the UK and abroad.

Both awards are a great recognition of the hard work of the candidates, which include students from our Public Service Interpreting courses. Every year we welcome members of our communities who are seeking professional recognition as interpreters in the Health and Legal sectors and choose to study our part-time courses as part of their preparation for the exam. Credit also belongs to our colleagues involved in processing the registrations of candidates and organising the exams ensuring the whole process runs smoothly and fairly.

Zora Jackman and Elsa Cowie collecting the awards

Zora Jackman teaches the Interpreting and Translation courses at CPE and commented:

"Having passed the DPSI exam myself some years ago, I have a lot of respect for all candidates; I am, though, particularly proud of our students on the Public Service Interpreting courses, who invest a lot of time, effort and resources into their preparation, often whilst working as well as looking after their families. They have my admiration for the dedication to their studies and for their determination to achieve professional recognition in such a demanding yet rewarding profession.

The annual award ceremony took place in London; in total 15 awards were presented to individuals, teams, organisations, schools and language centres by HRH Prince Michael of Kent, Royal Patron of CIOL. Both the DPI and DipTrans awards were collected by Zora Jackman, accompanied by Elsa Cowie, the main initiator of establishing the Public Service Interpreting programme at Cardiff University a decade ago.

Professional Conduct in Public Service Interpreting - Distance Learning

Fee £170.00 (Concessionary Fee £153.00)

Zora Jackman
This course is suitable for students who are new to interpreting as well as for practicing interpreters and covers the practical and professional conduct issues associated with working as a public service interpreter in the UK and the understanding, knowledge and skills required. It will include professional conduct and development, terminology research and interpreting skills.

10 weekly meetings

Politics and International Relations/Law

Co-ordinating Lecturer: Jan Stephens
Tel: 029 2087 6248 Email: StephensJ4@cardiff.ac.uk

The International Relations and Politics/Law courses are offered both to professionals and those with a lay interest in these very contemporary issues. The diverse range of study opportunities are designed to meet public interest as we are increasingly keen to understand and to challenge how we are governed, and to understand who in our society constructs the regulations and rules by which we lead our everyday lives.

The Pathway to International Relations and Politics offers the chance to achieve 60 credits before progressing to the main undergraduate programme. This is an exciting opportunity and we hope it will meet demand for knowledge and understanding of the world we are part of. Studying the pathway offers a chance for you to gain professional knowledge and skills in a stimulating environment, taught by knowledgeable tutors.

There is a study opportunity in this exciting subject area for you!

European Law

Fee £170.00 (Concessionary Fee £136.00)

Mark Gorman
You are interested in European Law, or need to know its basic principles, then this is the module for you. You will examine relevant directives, regulations and case law from the European Court of Justice in order to make an informed and critical assessment of how European Law works in practice.

10 weekly meetings
Wednesdays from 16:00 to 18:00
Starting 3 February 2021
Continuing and Professional Education, 21 - 23 Senghennydd Road, Cardiff
10 credits, Level 4
LAW20A1101A

The English Legal System

Fee £170.00 (Concessionary Fee £136.00)

Mark Gorman
You will be introduced to major aspects of the English Legal System including its sources practices and procedures. You will gain a thorough understanding of judicial precedent, statutory interpretation, the jury system, Tribunals and Alternative Dispute Resolution.

10 weekly meetings
Wednesdays from 19:00 to 21:00
Starting 7 October 2020
This course will be taught online
10 Credits, Level 4
LAW20A5124A
The Politics and International Relations Pathway is equivalent to 50% of the first year of a degree, and is intended to provide students with the skills and knowledge needed to study a degree in International Relations and Politics at Cardiff University.

To enrol on the Pathway to Politics and International Relations contact Jan Stephens on StephensJ4@cardiff.ac.uk or by calling 029 2087 6248.

**PATHWAY TO POLITICS AND INTERNATIONAL RELATIONS**

**CORE MODULES**

**The Political System in Wales**
- Fee £450.00 (Concessionary Fee £360.00)
- Leah Hibbs
- The Political System in Wales module will introduce students to the context and content of devolved policy making and political representation in Wales. It will explore the causes and consequences of the 2016 EU Referendum (Brexit) vote in Wales, the case for electoral reform and consider how legislation is made in the Senedd. This is a core module on the Pathway to International Relations and Politics.
- 12 weekly meetings
- Mondays from 17:00 to 19:30
- plus 2 Saturday Day Schools
- Starting 5 October 2020
- This course will be taught online
- 20 Credits, Level 4
- PLT20A5135A

**1989: a Pivotal Year for Europe**
- Fee £450.00 (Concessionary Fee £360.00)
- Dr Roel Van Der Velde
- This module will introduce students to political, economic and social developments in central and eastern Europe during the late 1980s. You will explore the events that led to the collapse of communism in the region, and their legacy for contemporary Europe. This is a core module on the Pathway to International Relations and Politics as well as being a stand-alone module open to professionals in the field and the general public.
- 16 weekly meetings
- Mondays from 18:30 to 21:00
- Starting 1 February 2021
- Continuing and Professional Education,
- 21 - 23 Senghennydd Road, Cardiff
- 20 Credits, Level 4
- PLT20A5134A

**OPTION MODULE**

**Introduction to International Relations**
- Fee £225.00 (Concessionary Fee £180.00)
- Liena Abu Laban
- International Relations (IR) is an exciting discipline which explores politics in the global and regional arenas. This module introduces students to key concepts and theories of IR, explores questions such as ‘Why do wars happen?’, and develops an understanding of the international system.
- This module is an optional 10 credit module on the Pathway to International Relations and Politics.
- 6 weekly meetings
- Wednesdays from 18:30 to 21:00
- plus 1 Saturday Day School
- Starting 7 October 2020
- This course will be taught online
- 10 Credits, Level 4
- PLT20A5141A
I'm enrolled on the Pathway to International Relations and Politics and my review about the course “The Political System in Wales” is that it was a module that definitely opened my eyes to British politics and how much there is to the subject. It painted a clear picture of devolution and how much of a big deal it is in Wales. The module also really helped me to engage in good discussions regarding Brexit which is a hot topic this year so I think it was a really good time to be studying this module. I think this module is really engaging. There was some good discussions which all of us took part in class and this Saturday School in The Senedd has been good for that. I think it was the perfect place to be on the day after Brexit was due to take place. So I've definitely learnt a lot about the National Assembly for Wales too.

Mario Barbantini Scanni

My name is Nelson and I'm doing the Pathway to International Relations and Politics. Studying on this pathway has opened so many doors for me because Cardiff is such a renowned University, a Russell Group University that has really helped me. It has improved me. Attending so many classes has helped me to gain a much better understanding of what I want to do and what is happening now in British politics. This module has helped me understand what's happening here in Wales and taught me how to find out about this. It's given me a much better understanding of how to write to essays so it prepares me to do well in the future.

Science and Environment

Co-ordinating Lecturer: Dr Zbig Sobiesierski
Tel: 029 2087 5264  Email: sobiesierskiz@cardiff.ac.uk

Science seeks to describe the world we live in and the ability to wonder about, question and understand how things behave is very much a part of all our lives.

This year, we introduce new courses on The Garden and Culture, The American Garden and The Twentieth Century Garden and Lifestyle to sit alongside courses on Medical Imaging and the Human Body and Disease in the Developing World.

As always, there are courses on offer at weekends and this year, in addition to Astronomy in Action and Herbal Medicine, the relationship between the landscapes we see and the underlying geology will continue to be explored in courses on Field Geology in Pembrokeshire, Parts 1 and 2.

Introduction to Human Biology is a core module for our Pathway to Healthcare, whilst Diseases and Disorders of the Brain focuses on current research and pays particular attention to the underlying molecular and genetic factors associated with disorders of the brain. Early enrolment is recommended for all courses to avoid disappointment.
Herbal Medicine

Fee £408.00 (Concessionary Fee £326.00)

Peter Rosser

Most of the world’s population use plants as their main source of medicine. We will focus on the traditional use of plants in Western herbal medicine, particularly those growing wild or easily cultivated in the UK, but also consider plants in use in other cultures around the world. There will be an introduction to the main body systems and the safe and effective use of plants for common ailments. Practical sessions will offer the opportunity to learn how to make herbal infusions, decoctions, tinctures, creams, ointments, oils and poultices.

8 meetings
10:00 to 16.00
Saturdays 9th January, 30th January, 20th February, 13th March, 10th April, 24th April, 15th May and 5th June 2021
Continuing and Professional Education, 21 - 23 Senghennydd Road, Cardiff
20 credits, Level 4
SCI20A1269A

Field Geology in Pembrokeshire Part 1

Fee £170.00 (Concessionary Fee £136.00)

Dr Nick Chidlaw

The Pembrokeshire landscape differs from much of Wales in that it is largely unmountainous, with extensive areas forming plateaux lying below 183m (600 ft). This course will visit a number of key locations, mostly coastal and mostly in the north of the county, examining rocks formed during Precambrian, Cambrian and Ordovician times. The course is timed to maximise safe access to beaches, and no prior knowledge of geology will be assumed. Please note you will need to make your own travel and accommodation arrangements, with meeting time and place to be confirmed.

Friday 16 October to Monday 19 October 2020
10 Credits, Level 4
SCI20A5413A

The Fruit Garden

Fee £170.00 (Concessionary Fee £136.00)

Michele Fitzsimmons

Learn how to design, create and maintain a low maintenance edible garden focussing on fruit trees, soft fruit and shade tolerant leafy plants. Based on permaculture principles, this Fruit Gardening course will take you through designing and drawing up plans for your garden and maintenance needs – including pruning, pest management and pollination.

7 weekly meetings
Thursdays from 19:00 to 21:00
Starting 1 October 2020
plus 2 garden visits from 13:00 to 16:00 on Saturdays 17th October and 5th December 2020
This course will be taught online
10 Credits, Level 3
SCI20A3624A

Astronomy in Action

Fee £151.00 (Concessionary Fee £121.00)

Dr Paul Roche

This course covers topical areas of astronomy and space science, including recent advances in the study of planets, stars, galaxies and cosmology. Workshops will consist of a taught lecture component supplemented with hands-on and online activities, with the opportunity to access the robotic Faulkes Telescopes over the Internet.

6 meetings
10:00 to 13:00
Saturdays 9th January, 30th January, 20th February, 13th March, 27th March and 17th April 2021
Continuing and Professional Education, 21 - 23 Senghennydd Road, Cardiff
10 Credits, Level 3
SCI20A5412A

The American Garden

Fee £170.00 (Concessionary Fee £136.00)

Stephen Parker

In a move away from British gardens we will examine the influential, pioneering and significant gardens created, and being created, throughout America. From the formal gardens apparently of the 17th Century to the highly influential gardens of modernism and the prairie, our discussion of a range of private and public gardens will provide a view of what is happening throughout America today, showing the incredible influence the gardens from this vast and diverse country have had on our own gardens.

10 weekly meetings
Wednesdays from 10:00 to 12:00
Starting 13 January 2021
10 Credits, Level 4
SCI20A5411A

Disease in the Developing World

Fee £170.00 (Concessionary Fee £136.00)

Dr Anna Paziewska-Harris

This course discusses the problems posed by diseases that are specifically tropical or ones that stem from deficiencies in water supply and sanitation provision. The approach adopted is an ecological one and gives particular attention to control through habitat modification and technology transfer.

10 weekly meetings
Thursdays from 16:00 to 18:00
Starting 8 October 2020
This course will be taught online
10 Credits, Level 4

**The Twentieth Century Garden and Lifestyle**

*Fee £170.00 (Concessionary Fee £136.00)*

- **Stephen Parker**
  
  Post-war modernity sought to rethink and redesign almost every aspect of domestic life, from furniture to houses and gardens. Indeed the very structure of society would be rethought through revolutionary notions, such as socialism and vegetarianism! We focus primarily on house and garden and the overwhelming influence the movement had then, and now, on garden making.
  
  - 10 weekly meetings
    - Wednesdays from 10:00 to 12:00

**Field Geology in Pembrokeshire Part 2**

Fee £170.00 (Concessionary Fee £136.00)

- **Dr Nick Chidlaw**
  
The Pembrokeshire landscape differs from much of Wales in that it is largely unmountainous, with extensive areas forming plateaux lying below 183m (600 ft). This course will visit a number of key coastal locations in south Pembrokeshire, examining rocks formed during the Silurian, Devonian and Carboniferous periods. The course is timed to maximise safe access to beaches, and no prior knowledge of geology will be assumed. Please note you will need to make your own travel and accommodation arrangements, with meeting time and place to be confirmed. Part 2 is an independent course and attending Part 1 beforehand is not necessary.

- **Thursday 24 June to Sunday 27 June 2021**
- 10 Credits, Level 3
- SCI20A5414A
The Pathway to Medical Pharmacology has been designed for adult learners interested in returning to education, to study part time before applying for a degree. This pathway would be ideal for students who want to pursue a career in biomedical research in academia or the private sector, pharmaceutical industry or other biomedical fields.

You must complete 60 credits in five core modules. All modules are taught in the evening and at weekends. Applicants wishing to enrol on the Pathway to Medical Pharmacology will need 5 GCSEs grade A*-C including Maths, English/Welsh and Double Science (or Chemistry and another Science) and A Level Chemistry grade B or above.

Your application to your degree will be supported every step of the way to ensure you begin your degree with confidence.

If you are interested in enrolling on the Pathway to Medical Pharmacology please contact the Pathways Co-ordinator on pathways@cardiff.ac.uk

The modules that you will need to study are:
- Human Biology
- Medical Imaging in the Human Body
- Diseases and Disorders of the Brain
- Research Methods in Healthcare
- Social Psychology

Details of these modules can be found in the Pathway to Healthcare section on p.66.
Cardiff University offers extensive continuing professional development (CPD) opportunities designed to raise your skill levels and equip you with cutting-edge knowledge and techniques.

Choose how you learn:
- Short non-credit bearing courses in a variety of subjects.
- Postgraduate level standalone modules. These offer flexibility to balance your work and study.
- Bespoke solutions for organisations seeking unique programmes for staff development.

Want to know more?
Our dedicated CPD Unit is here to help you choose the right option for you.

029 2087 5274  train@cardiff.ac.uk
cardiff.ac.uk/professional-development

Why choose us?

- Study and learn in a research-rich environment
- Learn from experts in their academic fields
- Access to courses across the University’s 24 academic disciplines
- Flexible learning including online and blended modules
- Small class sizes
- City centre location

The CPD Unit is proud to hold the Customer Service Excellence Standard

Pathway to Healthcare

This very popular Pathway has been designed for adult learners who have been away from education for some time but do have some formal education qualifications. Classes are held in the evenings and at weekends on a part-time basis and you will study in a relaxed and supportive environment.

For each Pathway there are specific prerequisites so you should carefully check that you meet all the relevant criteria. All Pathways require you to have GCSEs and some require A-levels. Students can make applications for degrees in the following areas.

1. Adult Nursing
2. Child Nursing
3. Mental Health Nursing
4. Midwifery
5. Occupational Therapy
6. Operating Department Practice
7. Radiology
8. Diagnostic Radiography and Imaging
9. Radiotherapy and Oncology
10. Physiotherapy

The Pathway is made up of 60 credits worth of courses. If you are interested in enrolling on the Pathway to Healthcare please contact the Pathways Coordinator on pathways@cardiff.ac.uk

Public Policy for Health

Fee £450.00 (Concessionary Fee £360.00)

Pauline Beesley

This module will introduce students to policy-making in contemporary society, with a particular focus on public policy for health. The course will lay the foundations for an understanding of the policy-making process and how this can be theorised and conceptualised. Simple models of policy-making will be explored. Key health and health-related social and public policy areas, for example, health, education and environmental policy, will be used to illustrate how policy is made in practice. This is a core module for the Pathway to Healthcare.

12 weekly meetings
Wednesdays from 17:00 to 19:30 plus 2 Saturday Day Schools Starting 23 September 2020
This course will be taught online
20 Credits, Level 4
SOC20A5203A

Thursdays from 18:30 to 21:00 plus 2 Saturday Day Schools Starting 20 January 2021
Continuing and Professional Education, 21 - 23 Senghennydd Road, Cardiff
20 Credits, Level 4
SOC20A5203B

12 weekly meetings
Thursdays from 18:30 to 21:00 plus 2 Saturday Day Schools Starting 28 April 2021
Continuing and Professional Education, 21 - 23 Senghennydd Road, Cardiff
20 Credits, Level 4
SOC20A5203C
Introduction to Human Biology

Fee £450.00 (Concessionary Fee £360.00)

Cheryl Lannon
What is the human body composed of, and what do the various parts do? From skin and bones to the human immune system, this module aims to provide an introduction to how the body works. We will consider human physiology, the nervous system, the role of the heart, blood vessels and blood, lungs and the respiratory system, and much more. This is a core module for the Pathway to Healthcare.

12 weekly meetings
Thursdays from 18:30 to 21:00
Starting 24 September 2020
Plus 2 Saturday Day Schools
This course will be taught online
20 Credits, Level 4
SCI20A5150A

Tuesdays from 14:00 to 16:30
Starting 12 January 2021
Plus 2 Saturday Day Schools
Continuing and Professional Education, 21 - 23 Senghennydd Road, Cardiff
20 Credits, Level 4
SCI20A5150B

12 weekly meetings
Thursdays from 18:30 to 21:00
Starting 14 January 2021
Plus 2 Saturday Day Schools
Continuing and Professional Education, 21 - 23 Senghennydd Road, Cardiff
20 Credits, Level 4
SCI20A5150C

How it works

Two Core Modules
40 credits

Optional Modules
20 Credits

Pathway to Healthcare
60 credits

CORE MODULES FOR ALL HEALTHCARE PATHWAYS
All students wishing to study on the Pathway to Healthcare will need to enrol on the CORE modules Introduction to Human Biology and Public Policy for Health. The optional modules will be listed under each discipline. Please contact Dr Sara Jones before you enrol on a Pathway to Healthcare on pathways@cardiff.ac.uk
**Medical Imaging and the Human Body**

**Fee £170.00 (Concessionary Fee £136.00)**

**Dr Zbig Sobiesierski**

Up until the 20th century, our understanding of human anatomy came largely from dissection. Beginning with a brief history of anatomy, we will examine how the application of x-ray, ultrasound, magnetic resonance and a range of other techniques allow us to construct different images, and so develop a more detailed and non-invasive understanding of the human body.

**10 weekly meetings**

Thursdays from 16:00 to 18:00
Starting 4 February 2021
Continuing and Professional Education, 21 - 23 Senghennydd Road, Cardiff
10 Credits, Level 4
SCI20A4968A

**Diseases and Disorders of the Brain**

**Fee £170.00 (Concessionary Fee £136.00)**

**Dr Emma Yhnell**

This course discusses the history, development and treatment of diseases and disorders of the brain including: Huntington’s disease, Parkinson’s disease and Alzheimer’s disease. The approach adopted focuses on current research and developments relating to disorders of the brain and pays particular attention to the underlying molecular and genetic factors which are associated with these diseases.

**10 weekly meetings**

Mondays from 19:00 to 21:00
Starting 1 February 2021
Continuing and Professional Education, 21 - 23 Senghennydd Road, Cardiff
10 Credits, Level 4
SCI20A5194A

**Introduction to Social Science**

**Fee £450.00 (Concessionary Fee £360.00)**

**Catherine Phillips**

Introduction to Social Science will focus your studies on contemporary society. We will look at the Media and how they impact on different groups in society; the changing cultures within our society; the participation and relationship society has to politics.

Study skills will be a particular focus this term so that you are confident and ready to move on to the next course on your Pathway.

**12 weekly meetings**

Tuesdays from 17:00 to 19:30 plus 2 Saturday Day Schools
Starting 2 February 2021
Continuing and Professional Education, 21 - 23 Senghennydd Road, Cardiff
20 Credits, Level 4
SOC20A5968B
Research Methods

Fee £225.00 (Concessionary Fee £180.00)

- Catherine Hopkins
This module introduces students to ideas and debates from key areas of social science research methods. The main uses, benefits and drawbacks of qualitative, quantitative, and mixed methods are outlined and explained. To bring theory and research together, topics are explained through a key piece of research. Among the topics explored are Crime and Criminology and crime statistics; Health and randomised control trials (RCT); Social Psychology and behavioural studies; Gender and Identity and visual studies; globalisation and the use of social media in social science research.

- 10 weekly meetings
Mondays from 17:00 to 19:00
Starting 5 October 2020
This course will be taught online
10 Credits, Level 4
SOC20A5260A

- 10 weekly meetings
Mondays from 17:00 to 19:00
Starting 1 February 2021
Continuing and Professional Education, 21 - 23 Senghennydd Road, Cardiff
10 Credits, Level 4
SOC20A5260B

Developmental Psychology

Fee £170.00 (Concessionary Fee £136.00)

- Rhiannon Morgan
What makes us the people we are? Babyhood, adolescence, adulthood and old age all present their challenges. There will be opportunities for discussion, observation and developing and improving study skills. This self-contained course is an ideal introduction to the subject area.

- 10 weekly meetings
Tuesdays from 19:00 to 21:00
Starting 6 October 2020
This course will be taught online
10 Credits, Level 4
PSY20A5266A

- Pauline Beesley
10 weekly meetings
Tuesdays from 19:00 to 21:00
Starting 26 January 2021
Continuing and Professional Education, 21 - 23 Senghennydd Road, Cardiff
10 Credits, Level 4
PSY20A5266B

Abnormal Psychology

Fee £340.00 (Concessionary Fee £272.00)

- Clare O’Connell
In this double module you will have the opportunity to explore models of abnormality and implications for their treatment. Drawing on a range of perspectives within psychology, you will be encouraged to contrast, compare and challenge theories to understand a best fit eclectic mix of evidence-based explanations of behaviour.

- 20 weekly meetings
Mondays from 17:00 to 19:00
Starting 5 October 2020
This course will be taught online
20 Credits, Level 4
PSY20A5265A

Social Psychology

Fee £170.00 (Concessionary Fee £136.00)

- Rhiannon Morgan
Social Psychology attempts to describe and explain the impetus behind our social interactions. This course provides an opportunity to explore the principles of social psychology and to give a reference point to understand behaviours we are familiar with.

- 10 weekly meetings
Tuesdays from 19:00 to 21:00
Starting 26 January 2021
Continuing and Professional Education, 21 - 23 Senghennydd Road, Cardiff
10 Credits, Level 4
PSY20A5267A

Loren Williams

Finally following my dreams!

I am incredibly grateful to have been given the opportunity to be taught by such learned lecturers, who are willing and able to answer all of the questions I have had, offering support and reassurance when I have needed it, and positive criticism that has enabled me to grow as an individual. The Pathway to Healthcare courses have equipped me to raise my academic ability and also reinstalled self-confidence and for this I shall always be thankful. This course has genuinely changed my life, my once pipe dream of becoming a Midwife is now becoming my reality.

Loren started her Midwifery Degree in September 2018

Anything is possible, all you have to do is put your mind to it, believe in yourself and take the leap! I am incredibly grateful for this opportunity at the age of 30, with two children, a job and a husband. I finally get to follow my dreams!
The courses in the Social Studies section of the programme provide a stimulating and challenging set of courses where you have the opportunity to explore contemporary issues and debates, set in an academic context. If you have an interest in the complex social issues facing us in modern society then Social Studies is for you!

The Psychology courses provide a fascinating insight into complex issues and debates about people and the society we live in. The Level 3 Counselling courses provide an introduction to the skills needed at work and at home to manage our busy lives.

The Pathway to Social Science is a route in to higher education for students who have been out of learning for some time. You will study with highly skilled tutors in a small class which provides the ideal learning environment for adult learners.

You are able to put your Level 4 credits from Social Studies courses towards the Certificate of Continuing Education in Social Studies (60 credits) to boost your personal and professional portfolio. For further information please contact Jan Stephens, the Co-ordinating Lecturer.
Developmental Psychology

Acceptance and Commitment Therapy I

Fee £170.00 (Concessionary Fee £136.00)

Joanne Meek
Acceptance and Commitment Therapy (ACT) is a values based behavioural therapy with a mindfulness component. ACT is evidence based and has an ever-growing range of applications, e.g. stress, anxiety, self esteem and confidence. ACT is a down-to-earth approach of being true to one’s values and to apply them as a basis for goal setting and achieving greater vitality.

Enrol Now!
After teaching on the undergraduate social science programme at Cardiff University for several years, coming to work on the Pathway module Introduction to Social Science has proved to be incredibly gratifying in a number of respects. I have found the students to be inquisitive, committed to learning and eager to further themselves in terms of career and/or personal development.’

Chris Higgins, tutor on the Pathway to Social Science

Jan Stephens, who convenes the Pathway to Social Science, Business, and Politics and International Relations says,

The Pathways to a degree project is a great opportunity to offer postgraduate students quality teaching hours in a friendly and well-supported environment. Adult learners are keen to learn and bring many questions to the classroom which makes for lively debate. Tutor training is offered as well as access to the Tutor Room which has plenty of work stations and a quiet space for working.

Vacancies are advertised through the university’s jobs page.

Opportunity for Postgraduates to Teach on Pathways

Jan Stephens, who convenes the Pathway to Social Science, Business, and Politics and International Relations says,
Introduction to Social Science

Fee £450.00 (Concessionary Fee £360.00)

Catherine Phillips

Introduction to Social Science will focus your studies on contemporary society. Social Policy

Fee £450.00 (Concessionary Fee £360.00)

Leah Hibbs

This module on the Pathway to Social Science will introduce issues of Social Policy. You will gain an understanding of important social policies which set up the Welfare State; and look at current policies so I could keep working and looking after my daughters. I received study support, funding advice and the tutors were so enthusiastic and helpful to me reaching my potential.

After studying for one year on the Pathway, I hope to begin studying an undergraduate degree in Cardiff University.

This is a great opportunity for everyone! It is never too late to learn and achieve your dreams.

Edugation and Society

Fee £450.00 (Concessionary Fee £360.00)

Jan Stephens

This module will introduce you to the role of education in modern society. You will consider the structure and organisation of education and be presented with a selection and summary of key policy changes and their impacts. The emphasis will be on developing your own understanding and critical analysis of the relationship between education and society and in this way, the module will provide a foundation for further studies on your Pathway.

12 weekly meetings
Tuesdays from 17:00 to 19:30
plus 2 Saturday Day Schools
Starting 20 April 2021

Continuing and Professional Education, 21 - 23 Senghennydd Road, Cardiff
20 Credits, Level 4
SOC20A4969A

For many years I have been a busy working mum, balancing a career in hairdressing with the school run and after school activities.

One day a friend posted about the pathways provided by Cardiff University on social media and a spark was ignited in my imagination. I read about how other people in a similar position to me had returned to study in Higher Education and I could see myself in them and thought “This is my time!” I always wanted to return to learning and I enjoy challenging myself, but the time had never seemed right before.

I decided that the Pathway to Social Science suited my interests as I was particularly interested in people and how public policy was researched and decided. I could study part-time so I could keep working and looking after my daughters. I received study support, funding advice and the tutors were so enthusiastic and helpful to me reaching my potential.

After studying for one year on the Pathway, I hope to begin studying an undergraduate degree in Cardiff University.

This is a great opportunity for everyone! It is never too late to learn and achieve your dreams.

Rebecca Utonga

This is my time
Enrolment Guide

Please read through the following enrolment guide, and the terms and conditions on page 75.

When to Enrol

Please enrol as early as possible because:

- Popular courses fill up quickly.
- Courses with insufficient pre-enrolments may be cancelled.
- Early enrolment will give you time to apply for an identification and library card before the course starts.

Should you not be able to enrol in advance, then you should do so as soon as possible after the first class.

How to Enrol

If you are paying the full course fee, please enrol online.

If you are paying the concessionary fee*, you will be able to enrol offline. Full instructions on how to do this is available on every course entry on our website.

*Available if you are receiving benefits or are a Cardiff University staff member or full-time student.

Concessionary fees are not available if a sponsor (such as your employer or Student Finance Wales) is paying the fee.

Restrictions

You are required to declare an unspent conviction only if there are restrictions in place that may impact on your ability to undertake any element of your programme of study.

If you have any restrictions on being able to access the internet or to use tools such as email, you are required to let the University know. You must also let the University know if there are any restrictions in place in terms of curfews, and/or, being able to enter locations or areas (including restraining orders) that would impact your ability to be able to attend any element of your course.

Fees and Financial Assistance

All full and concessionary course fees are shown with the individual course entry in the prospectus or on the web. Please see below to find out whether or not you qualify for financial assistance or a concessionary fee.

Funding for Part-time Students

HEFCW Fee Waiver Scheme

If you do not hold a first degree or a degree level qualification and are receiving certain benefits from the Department of Work and Pensions or have registered as a job seeker for at least six weeks, you may be eligible to claim your course fees under the HEFCW (Higher Education Funding Council for Wales) Fee Waiver Scheme. Full details can be found at www.cardiff.ac.uk/part-time-courses-for-adults/courses/funding-and-paying-for-your-learning or by calling 029 2087 9147.

Other Concessionary Fees

If you do not qualify for the HEFCW Fee Waiver Scheme detailed above, you may still be eligible for concessions offered by us. Concessionary fees are available to those who are in receipt of:

- Universal Credit
- Income Support
- Income-related Employment Support Allowance
- Housing Benefit
- Job Seekers Allowance
- Council Tax Reduction (does not include discounts and exemptions)
- Personal Independence Payment
- Working Tax Credit
- State Pension

Or who are:

- Full-time Cardiff University Students
- Cardiff University Staff*

If you are claiming a concessionary fee, then you must provide relevant proof of your entitlement to the concessionary fee. Proof should be dated no more than six weeks prior to the date that you enrol. Please contact us if you require advice on the type of proof required.

*Please note that concessionary fees are not available if a sponsor is paying the fee.

Student Finance Wales Tuition Fee Loans and Grants

Part-time students may be eligible to apply to Student Finance Wales for a tuition fee loan to fund their learning. In some cases students may also be eligible for certain grants. More information is available on our website www.cardiff.ac.uk/part-time-courses-for-adults/courses/funding-and-paying-for-your-learning

Financial Assistance Programme

Additional financial assistance may also be available from the University to students on low incomes who have no prior experience in Higher Education. For further information on eligibility and the application process, please contact the Advice and Money Team at the Student Support Centre, Graduate Centre, 3rd Floor of Cardiff Students’ Union, Park Place, Cardiff.

email: adviceandmoney@cardiff.ac.uk

Instalments

For courses where the fee payable is over £350 (excluding online courses), payment can be made by two instalments. On enrolment you must pay the first instalment of £250. Details of when and how the second instalment must be paid will be provided by our Finance Team once your enrolment has been processed.

YOU ARE STILL LIABLE TO PAY THE SECOND INSTALMENT IF YOU WITHDRAW FROM A COURSE.

Where an employer (other than Cardiff University) is to pay for the course and wishes to be invoiced, the employer should provide a purchase order to this effect, which you should attach to your enrolment form. If you are unable to attach a purchase order, please ring us on 029 2087 9147.

If you wish to pay your course fees via a Student Loan please create an account on the Student Finance Wales website and record your Customer Reference Number on your enrolment form.
What are credits?
Credits are part of a national scheme which allows you to work towards a nationally recognised award at most universities, and are recognition that you have successfully completed a unit of study. Credits are usually assigned to a unit of study in multiples of 10. They give an indication of the level at which you are working, and the amount of work involved.

At Cardiff University, each unit of study is called a module and each module is usually worth 10, 20 or 30 credits. We have called these modules “courses”. The number of credits for each course is given at the base of each course entry within this prospectus.

Credits are offered at different levels as follows:

- **Level 3** which is equivalent to pre-degree level study;
- **Level 4** which is equivalent to first year undergraduate study;
- **Level 5** which is equivalent to second year undergraduate study.

Please note that some Level 5 courses may require previous experience or qualifications. If you have enrolled on a credit bearing course then you need to complete the assessments successfully to gain the credits, and as you progress with your studies the credits that you earn can be put towards a range of qualifications as detailed in the What can I do with my credits? section below.

Further information can also be found on our website and in our online student handbook.

What can I do with my credits?
As you progress, you can use your credits to gain the following awards:

- With 60 credits at Level 4 or Level 5 within one subject area, you are eligible for a departmental Certificate of Continuing Education (see alphabetical list on page 61). Once you have achieved 120 credits at Level 4 or Level 5, you will be awarded a Certificate of Higher Education. With 120 credits at Level 5 completed in pre-defined 60 credit study blocks, you will be awarded the Diploma of Higher Education (you will need to already have a Certificate of Higher Education or equivalent).
- Currently, the following areas offer 60 credit blocks that count towards a Diploma: Computing, French, German, Italian and Spanish. Some of our courses prepare for other qualifications. This is the case, for example, with Modern languages which offer you the option of sitting International qualifications such as the DELF-DALF, the DELE, Goethe Zertifikat, CILS, JLPT and the HSK.
- We also have six different prizes: the DE Evans Prize, the Elsie Pritchard Prize, the Patricia Clark Memorial Prize, the Leonard and Marian Jones Music Prize and the Leonard and Marian Jones Music in the Community Award, and the Departmental Prize. They may be awarded annually in acknowledgment of exceptional work.

If you want more information on our qualifications, contact us and we will send you details on the subject area you wish to study. You may also want to visit our website where a lot of information is posted and kept up to date.

Finally, you can also study a range of 60 credit pathways at Level 4. These pathways not only put you in a position to apply for a degree, but if your application is successful those 60 credits can count as half of the first year on the degree itself. Current subject areas include: Accounting, Business Management, History, Ancient History, Archaeology and Religion, English Language, English Literature, Creative Writing and Philosophy, Healthcare, Modern Languages, Social Science, Translation, Journalism, Media and Cultural Studies, Politics and International Relations and Medical Pharmacology. We are also working with other academic schools within the university to add new subject areas to that list.

Your student voice
Your Points of View - Student Representatives can be contacted if you have any comments, questions or feedback. There is a pigeonhole in Reception for the Student Representatives or alternatively you can email them using learn@cardiff.ac.uk

Need books for your course?
Since there is a possibility that a class may not run if enrolments are too low, please bear this in mind before purchasing any books or equipment prior to the course. You may wish to consider using the university’s libraries as an alternative to purchasing your own books (see below).

Using the University Library Service
When you enrol on a course you may borrow from the University's Libraries and access our computing facilities. The Senghennydd Library holds the books and other material which you will need to help you with your studies and also has four group study rooms that can be booked in advance. If however, you wish to search more widely, you may also use most of our 14 libraries. As well as books and computers the libraries offer somewhere for you to study, various electronic media including CDs and DVDs. Our library catalogue, LibrarySearch (www.cardiff.ac.uk/libraries), opening times and details of our library services are available online at http://library.cardiff.ac.uk/libraries. This means you can access our facilities from home. To use our facilities you will need to obtain an ID/Library card. How to do this is explained on this page.

How to obtain your ID/Library Card
To obtain your ID/Library card you need to take your receipt or letter of confirmation (obtainable from Reception) to the Senghennydd Library. There your photograph will be taken and a library card produced. This service is available Monday to Friday 9.00am to 9.00pm. At peak enrolment periods there may be a short wait. Senghennydd Library opening hours in semester (term) time are: Monday to Friday 8.45am - 9.30pm and Saturday 10.00am - 5.30pm. During the vacation the Library is open Monday to Friday 8.45am - 5.00pm. Vacation dates will be displayed in the library and are available on our website.

For further information please phone 029 2087 4158 or email senglby@cardiff.ac.uk
Community Learning

Cardiff University delivers short community-based courses, accredited at level 3 and flexibly delivered in familiar locations around South East Wales. Focuses on those living in wards where university participation rates are low, the courses are designed and run in collaboration with a wide range of local organisations and other learning providers. Our partners play a vital role in ensuring the course content, structure and delivery meets local needs and interests.

Courses run throughout the year in Cardiff and the surrounding areas. The courses are delivered by dedicated tutors experienced in working with students from a variety of backgrounds and with different learning experiences.

We run up to 30 short courses each year providing attractive and flexible learning opportunities designed to support community-based students' progress to the next stage whether that is work, college or university. Many of our students have progressed onto our CPE courses or Pathways to a Degree courses.

Courses are run at different times of the day to suit the needs of a variety of people. They vary from one 2-hour session over 9 weeks, to intensive 3-day courses – whatever works best in that location and community.

Some examples of the courses we ran last year include:

- Child Psychology
- Starting up a Business
- Introduction to Public Service Interpreting
- Project Management and Development

More information can be found on the website www.cardiff.ac.uk/learn
Progression as a Mature Student

Many students use our courses as a springboard for further study. If you are considering studying for an undergraduate degree we can help you. We provide:

- information and support for those wishing to progress to university
- a clearer understanding of the various routes into Higher Education
- an insight into university life as a mature student
- information on the range of support that is available and how to access various support services
- access to online resources to help you decide where and what to study.

We work closely with other academic schools in Cardiff University, other universities, local education colleges, community groups and advisors so can offer suggestions on who you need to talk to in order to move forward.

Returning to study is a big step so the more help you receive early on the easier the transition will be.

- **Mature Student Induction**: open to mature students who are starting undergraduate studies and feel they may benefit from taking advanced action to assist them to make the most of their time at university.
- **Gives students early and direct access to useful people, information and services e.g. financial, welfare etc.**
- **Provides students with an opportunity to meet like-minded people and address any concerns early on**
- **Introduces students to the library and information resources**
- **Explores some of the key skills needed for effective study**
- **Gives students access to a network of support**
