Dear Dr Cohen,

Re: Institutional Response: External Examiner Annual Report 2018/19

I am writing further to the receipt of your External Examiner's report for the MBBCh Phase 1.

Your report does not appear to raise any specific issues that require a more detailed response therefore the School has not been asked to provide a formal response.

Your report will be considered by the School and will also be used to help inform their [Annual Review and Enhancement](#) process and where appropriate, [Periodic Review](#).

The University is pleased to note your positive comments, including:

1. Your positive comments regarding the programme structure, academic standards and assessment process.
2. Communication along the way with academic and professional services staff was excellent and allowed me to be fully briefed.
3. Careful and considered handling of assessment performance in the ISCEs.
4. Extensive and holistic approach to professionalism and scholarship assessment.
5. I commend future plans to explore how two knowledge based assessments sit alongside each other and how scholarship and professionalism activity can be better captured to recognise the assessment of higher-level Miller's pyramid attributes in a meaningful way that is less dependent on faculty resource.

I hope that you will find this response satisfactory and we thank you for your continued support of the programme.

In order to meet the expectations of the [QAA Quality Code](#), both the External Examiner Annual Report and this Institutional Response will be published on the University's [Public Information website](#) and will be available to all students and staff.

We are most grateful for your comments and for your support in this matter.

Yours sincerely,
