### 1. Programme Structure

As I stated in my previous report, the programme structure is varied and rich, and clearly affords students the opportunity to deepen their understanding of and engagement with culture in French as they progress through their degree. It is clear that Cardiff University offers an excellent higher-level education in French and Francophone culture in every respect.

### 2. Academic Standards

Academic standards at Cardiff are entirely appropriate and comparable with those obtaining in similar universities.

### 3. The Assessment Process

The marking was fair and rigorous, with a clear paper trail in every instance. There is an excellent system of feedback/comment sheets in place to facilitate discussion between markers. I applaud the high number of marks awarded towards the upper end of the First-class range.

### 4. Year-on-Year Comments

As I was unable to attend most of the Final Examination Board, I am unable to comment on whether the comments I had made concerning the University's IT systems remained relevant.

- 5. Preparation / Induction Activity (for new External Examiners only)**
  
- 6. Noteworthy Practice and Enhancement**
  
- 7. Comments on the Examination of Master's Dissertations (External Examiners for postgraduate Master's Programmes only, see also 9.23-9.29 below)**
  
- 8. Appointment Overview (for retiring External Examiners only)**
