Dear Dr Jones,

Re: Institutional Response: External Examiner Annual Report 2017/18

I am writing further to the receipt of your External Examiner's report for the BSc in Dental Therapy and Dental Hygiene (Yrs 2 & 3).

Your report does not appear to raise any specific issues that require a more detailed response therefore the School has not been asked to provide a formal response.

Your report will be considered by the School and will also be used to help inform their [Annual Review and Enhancement](#) process and where appropriate, [Periodic Review](#).

The University is pleased to note your positive comments, including:

1. your positive comments regarding the programme structure, academic standards and assessment process;
2. The introductory examiner briefing before the case presentation assessments was excellent and highly appreciated for setting the scene and ensuring both internal and external examiners were appropriately prepared
3. The integrated practice and shared care of patients between BDS dental students and the Therapy and Hygiene students is developing
4. Responses to any points raised are always received and are detailed and relevant documentation is always received with ample opportunity to review

scripts in a timely way. The documentation for this course is to be highly commended.

I hope that you will find this response satisfactory and we thank you for your continued support of the programme.

In order to meet the expectations of the [QAA Quality Code](#), both the External Examiner Annual Report and this Institutional Response will be published on the University's [Public Information website](#) and will be available to all students and staff.

We are most grateful for your comments and for your support in this matter.

Yours sincerely,

Mr Simon Wright
