Dear Dr Langford,

Re: Institutional Response: External Examiner Annual Report 2018/19

I am writing further to the receipt of your External Examiner's report for the PGCert/PGDip/ MSc Medical Toxicology.

Your report does not appear to raise any specific issues that require a more detailed response therefore the School has not been asked to provide a formal response.

Your report will be considered by the School and will also be used to help inform their [Annual Review and Enhancement](#) process and where appropriate, [Periodic Review](#).

The University is pleased to note your positive comments, including:

1. Your positive comments regarding the programme structure, academic standards and assessment process.

I hope that you will find this response satisfactory and we thank you for your continued support of the programme.

In order to meet the expectations of the [QAA Quality Code](#), both the External Examiner Annual Report and this Institutional Response will be published on the University's [Public Information website](#) and will be available to all students and staff.

Yours sincerely,
