Dear Mr Dodsworth,

Re: Institutional Response: External Examiner Annual Report 2018/19

I am writing further to the receipt of your External Examiner's report for the Certificate in Foundation Studies.

Your report does not appear to raise any specific issues that require a more detailed response therefore the School has not been asked to provide a formal response.

Your report will be considered by the School and will also be used to help inform their [Annual Review and Enhancement](#) process and where appropriate, [Periodic Review](#).

The University is pleased to note your positive comments, including:

1. Your positive comments regarding the programme structure, academic standards and assessment process.
2. Intelligent and thoughtful approach to a challenging area (assessment review).
3. Continued proactive / thoughtful response to external accreditation report over a medium-term period including incorporation of suggestions into course design principles.
4. Can-do attitude of Centre personnel that I met on the visit and had communication with pre-visit, with what appears a very proactive and open Centre approach to seeking feedback.

5. Innovative approach to student engagement

I hope that you will find this response satisfactory and we thank you for your continued support of the programme.

In order to meet the expectations of the [QAA Quality Code](#), both the External Examiner Annual Report and this Institutional Response will be published on the University's [Public Information website](#) and will be available to all students and staff.

We are most grateful for your comments and for your support in this matter.

Yours sincerely,

Mr Simon Wright
Academic Registrar
