

Adding Gift Aid to your donation: a guide for UK taxpayers

If you are a UK taxpayer, you can increase the value of your gift to Cardiff University by telling us (in writing, or verbally) that you would like us to claim Gift Aid on your donations. This means that we can reclaim the basic rate tax you've already paid from the Government. Use the first two columns to calculate the impact of Gift Aid on your donation.

In addition, if you are a higher rate taxpayer, you can reclaim the higher rate tax you have paid on any gifts you make, in your annual Self Assessment form. Check the last four columns to see how much you could reclaim, and the net cost of your gift.
