Dear Ms Bowers,

Re: Institutional Response: External Examiner Annual Report 2018/19

I am writing further to the receipt of your External Examiner's report for the MSc in Wound healing and Tissue Repair and Wound Healing.

Your report does not appear to raise any specific issues that require a more detailed response therefore the School has not been asked to provide a formal response.

Your report will be considered by the School and will also be used to help inform their [Annual Review and Enhancement](#) process and where appropriate, [Periodic Review](#).

The University is pleased to note your positive comments, including:

1. Your positive comments regarding the programme structure, academic standards and assessment process.
2. Students are provided with examples of previous students' work to help orientate them to an assessment task.
3. Students receive thorough and consistent feedback on their work.
4. Digital technology is used well within this programme.
5. Students are informed of and encouraged to attend national and pan-European conferences within this field of practice.

I hope that you will find this response satisfactory and we thank you for your continued support of the programme.

In order to meet the expectations of the [QAA Quality Code](#), both the External Examiner Annual Report and this Institutional Response will be published on the University's [Public Information website](#) and will be available to all students and staff.

We are most grateful for your comments and for your support in this matter.

Yours sincerely,
