

## Sexual Health educational resource - Teacher guidance notes

**Thank you for delivering this interactive Sexual Health resource!**

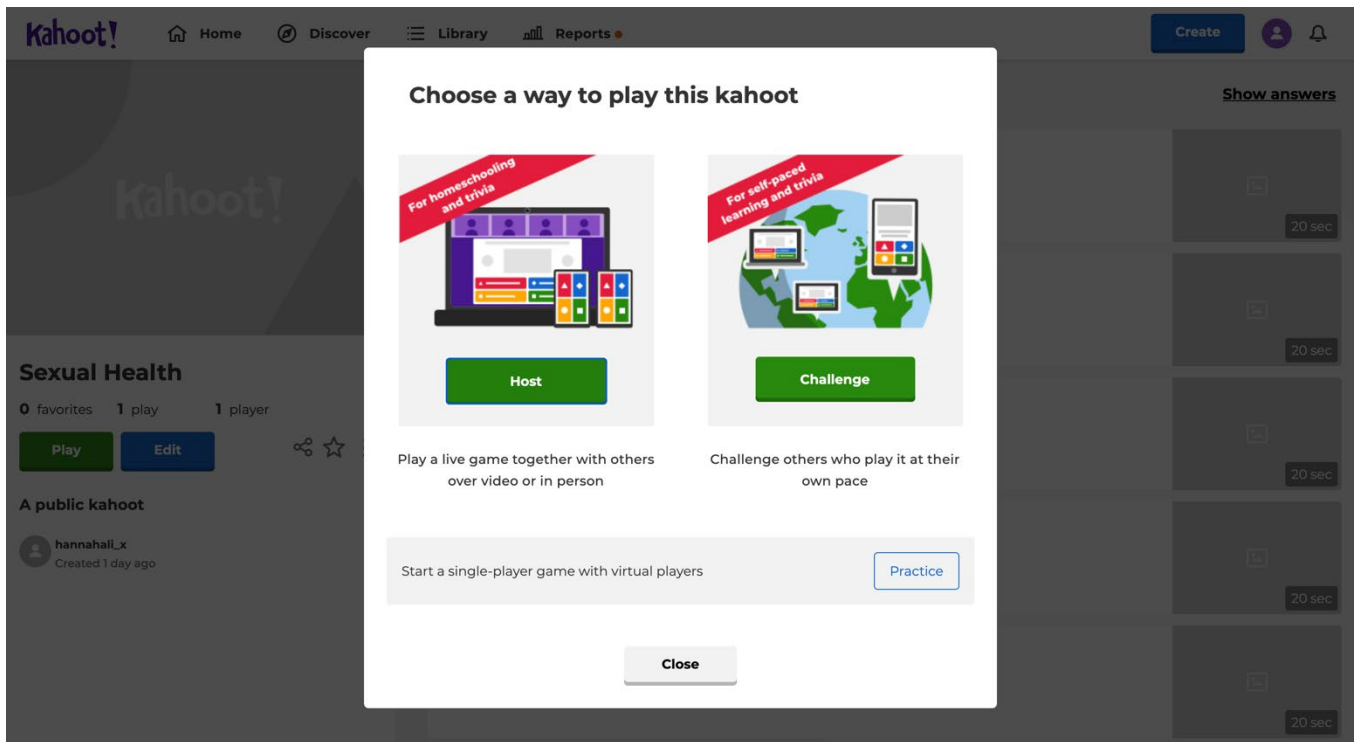

Some information to be aware of:

1. Slides 1 – 16 contains information to be read and explained to pupils.
2. Slide 17 contains a link to an online live Quiz.
3. Slide 18 contains a link to a google form to collate feedback from pupils.
4. The slides contain animations, and which appear automatically within 5 seconds.
5. This resource is best delivered as part of a live session but alternatively it can be given to the students to access themselves. However, the quiz element requires a presenter/teacher to control it as host.
  - a. For the students to access it themselves you can remove slide 17 and send this resource to them to be completed.
6. The quiz is delivered via **Kahoot** an online platform. Access it via:  
<https://create.kahoot.it/share/sexual-health/ccc7137b-8c5e-4f41-b805-a658360a3f51>
7. Once you click the link it will take you to the screen below.

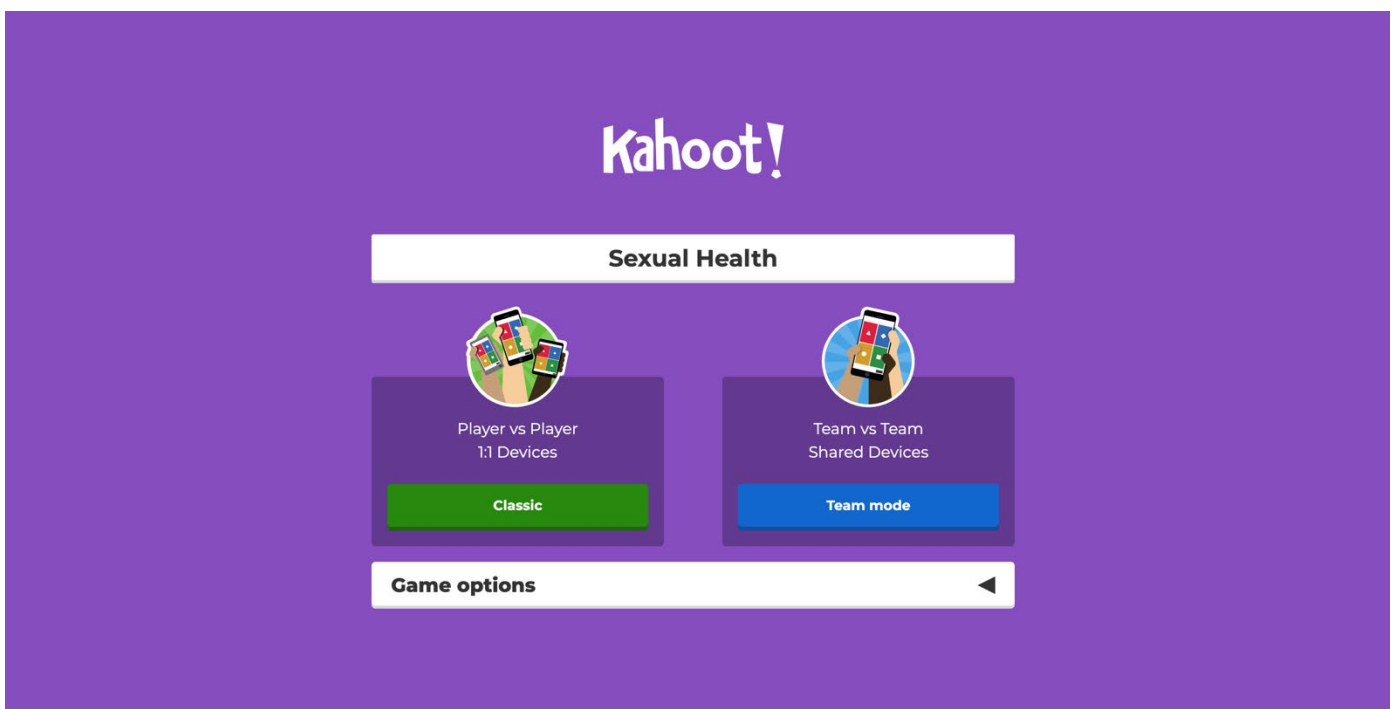

The screenshot shows the Kahoot! quiz interface. At the top, there is a navigation bar with 'Home', 'Discover', 'Library', and 'Reports' icons, and a 'Create' button. The main content area is titled 'Sexual Health' and shows 0 favorites, 1 play, and 1 player. There are 'Play' and 'Edit' buttons, along with share and star icons. Below this, it says 'A public kahoot' and shows the user 'hannahali\_x' created 1 day ago. The quiz questions are listed on the right:

Questions (7)	Show answers
1 - Quiz What hormone stimulates ovulation?	20 sec
2 - Quiz Which hormone maintains the uterus lining?	20 sec
3 - Quiz Which hormones are produced by the Pituitary Gland? Choose 2!	20 sec
4 - True or false STI are always symptomatic	20 sec
5 - True or false STIs disproportionately affect males.	20 sec

8. Click play and choose to be host.

9. Next choose Classic mode for Player vs Player/ 1:1 Devices.

10. It will then generate a game pin for students to access themselves via Kahoot.com. Once you have enough players you can press start and it will take you to the first question "What hormone stimulates ovulation?"

11. There are 7 questions on the quiz. Feel free to go through them at your own pace.

If you have any questions, feel free to email me on [alihm3@cardiff.ac.uk](mailto:alihm3@cardiff.ac.uk).

If your happy to give some feedback about the resource the link below will direct, you to a google form with a few questions.
