### 1. Programme Structure

The structure is clearly set out in the programme handbook. I have seen module handbooks and the module teaching reflects current and relevant material.

### 2. Academic Standards

I reviewed two modules this year — ‘Research and Evidence-based Policy and Practice’ and ‘Public Sector Management’. The standard of student work I have seen is comparable with that of students on other professional doctorates. I am satisfied the programme reaches a good academic standard.

### 3. The Assessment Process

The summative feedback is clear and constructive and explains the rationale for assessed marks. The formative feedback is clear and constructive and its value to students is clearly reflected in the development of their summative piece.

### 4. Year-on-Year Comments

This is my third year as an EE for the programme. The programme continues to reflect high academic standards and a rigorous assessment process. It is also well managed and administered.

### 5. Preparation / Induction Activity (for new External Examiners only)

## **6. Noteworthy Practice and Enhancement**

The programme is well run and has good administrative support demonstrating a clear commitment to supporting students.  
Strong formative feedback contributing to development and improvement in summative pieces.

**7. Comments on the Examination of Master's Dissertations (External Examiners for postgraduate Master's Programmes only, see also 9.23-9.29 below)**

**8. Appointment Overview (for retiring External Examiners only)**

I have enjoyed my time as external on this programme. I am resigning this appointment in line with UCU's request for members to resign as external examiners in the context of the current industrial dispute.

**SAMPLING OF TAUGHT MASTER'S DISSERTATIONS BY EXTERNAL EXAMINERS**

External Examiners shall be expected to see prescribed numbers and ranges of Dissertations, but not to mark them, on the following basis:

At least 10% of Dissertations for a postgraduate taught Master's Programme, or a minimum of 10 (whichever is the higher figure) must be seen by the External Examiner(s). Where the total number is less than 10, all Dissertations must be seen by the External Examiner(s) #.

Dissertations seen by External Examiners should include examples from across the whole range of achievement (i.e. Pass with Distinction, Pass, Fail).

External Examiners will retain the right to see other Dissertations at random.

# Where more than one External Examiner is appointed on a Programme, at least 10% of Dissertations, or a minimum of 10 (whichever is the higher figure), should be seen collectively by the External Examiners.
