Dear Mr Edmonds,

**Re: Institutional Response: External Examiner Annual Report 2017/18**

I am writing further to the receipt of your External Examiner's report for the Architecture: Professional Studies (MA/PGDip) (ARB/RIBA Part 3 exemption).

Your report does not appear to raise any specific issues that require a more detailed response therefore the School has not been asked to provide a formal response.

Your report will be considered by the School and will also be used to help inform their [Annual Review and Enhancement](#) process and where appropriate, [Periodic Review](#).

The University is pleased to note your positive comments, including:

1. your positive comments regarding the programme structure, academic standards and assessment process;
2. your reflection that it is a robust, academically well-managed and efficiently administered course, with a pass rate well above the national average at this level.
3. Your comments highlighting that formal assignments and class tests are topical, taking account of the constantly changing nature of the architectural profession.

I hope that you will find this response satisfactory and we thank you for your continued support of the programme.

As this is your final year as External Examiner, we would like to thank you for your service and we are most grateful for your valuable input into this process. In order to meet the expectations of the [QAA Quality Code](#), both the External Examiner Annual Report and this Institutional Response will be published on the University's [Public Information website](#) and will be available to all students and staff.

We are most grateful for your comments and for your support in this matter.

Yours sincerely,

Mr Simon Wright  
Academic Registrar
