Academic Year / Period Covered by this Report:	2018-2019	Date of Report:	04/10/19

Please complete all information in the spaces provided and submit within **six weeks** of the Examining Board (the dissertation stage Examining Board in the case of postgraduate Master's programmes).

**Please note this form will be published online and should not make any reference to any individual students or members of staff in accordance with the General Data Protection Regulation (2018).**

Please extend spaces where necessary.

**1. Programme Structure** (curriculum design, programme structure and level, methods of teaching and learning)

*I am unable to give a full external examiner's report this year as I did not participate in the exams on site owing to family illness.*

**2. Academic Standards** (comparability with other UK HEIs, achievement of students, any PSRB requirements)

*These are in line with other Schools of Dentistry around the UK.*

**3. The Assessment Process** (enabling achievement of aims and learning outcomes; stretch of assessment; comparability of standards between modules of the same level)

*I had sight of the examination and made comment on some of the questions which were agreed to or adequately rebutted by the assessment team. These seemed to be of a similar standard to those in other Schools of Dentistry for undergraduate level and met the GDC learning outcomes. The areas covered were those expected by a BDS programme and seemed to be of the correct depth. I was unable to attend the on-site exams this year so cannot comment on them.*

4. **Examination of Master's Dissertations (if applicable)** (sample of dissertations received, appropriateness of marking schemes, standard of internal marking, classification of awards)

N/A

5. **Year-on-Year Comments**

[Previous External Examiner Reports are available from the Cardiff University Website [here](#).]

N/A – due to my inability to participate fully in the assessment process.

6. **Preparation for the role of External Examiner (for new External Examiners only)** (appropriateness of briefing provided by the programme team and supporting information, visits to School, ability to meet with students, arrangements for accessing work to review)

Good

7. **Noteworthy Practice and Enhancement** (good and innovative practice in learning, teaching and assessment; opportunities for enhancement of learning opportunities)

N/A – due to my inability to participate fully in the assessment process.

8. **Appointment Overview (for retiring External Examiners only)** (significant changes in standards, programme/discipline developments, implementation of recommendations, further areas of work)

*My appointment time has seen a number of changes in the assessment and growth of the assessment team. These have been detailed in previous reports and my apologies for being unable to give a full external examiner's report this year as I did not participate in the exams on site owing to family illness.*
