### 1. Programme Structure

This is a comprehensive modular programme that covers basic physics and clinical aspects of ultrasound in pregnancy and general gynaecology.

### 2. Academic Standards

The academic standards are high and maintained as in other years.

### 3. The Assessment Process (including dissertations, if appropriate)

It is fair, appropriate and rigorous. It is however, sometimes difficult to manage the progress of overseas students.

### 4. Year-on-Year Comments

There were no issues raised from last year.

### 5. Preparation / Induction Activity (for new External Examiners only)

N/A

## **6. Noteworthy Practice and Enhancement**

The students are given the opportunity to progress from Certificate to Diploma to Masters, according to their ability in this modular PG Course. There are only a few courses like this available in the UK.

## **7. Appointment Overview (for retiring External Examiners only)**
