**Dathlu Rhagoriaeth yn yr Ysgol Meddygaeth
Celebration of Excellence within the School of Medicine**

Croeso

Diolch yn fawr iawn am ymuno â ni ar gyfer Surgam 2024, ein digwyddiad blynyddol ar gyfer dathlu rhagoriaeth ymhlith myfyrwyr, staff a phartneriaid gofal iechyd yr Ysgol Meddygaeth.

Mae eleni'n enghraifft wych arall o'r cyfraniadau enfawr y mae cymaint o unigolion wedi'u gwneud er mwyn rhoi'r profiad gorau posibl i fyfyrwyr a chleifion, ac rwyf wrth fy modd y gallwn ddathlu eu llwyddiant, drwy ein digwyddiad heddiw a'r llyfryn hwn.

Mae cydweithwyr yn yr Ysgol gyfan yn parhau i arloesi wrth addysgu a gwneud ymchwil. Mae adborth ar draws ein cyrsiau israddedig wedi gwella ymhellach eleni – mae'r cwrs Ffarmacoleg Feddygol yn parhau i gael ei ystyried yn un o'r cyrsiau gorau yn y Brifysgol, ac mae'r rhaglen feddygol ymhlith y tair prif raglen ar gyfer adnoddau addysg yn y DU.

Mae cyrsiau gradd ymsang hefyd wedi galluogi myfyrwyr i ddatblygu eu sgiliau ym meysydd ymchwil ac addysg – mae gwaith o ansawdd uchel iawn wedi'i wneud gan raddedigion ar draws y cyrsiau hyn.

Yn ein portffolio ôl-raddedig, mae'r timau'n rhoi addysg o ansawdd uchel i unigolion o ystod eang o gefndiroedd iechyd, gofal ac ymchwil. Mae'r cyfraniadau hyn yn hanfodol i genadaethau'r Ysgol i wella iechyd a gofal ledled Cymru a thu hwnt.

Rydym hefyd yn ddyledus i bob un o'r unigolion sy'n helpu ein dysgwyr i gyflawni. Mae'r gefnogaeth a gânt gan eu ffrindiau a'u teulu'n hollbwysig i lywddo, ac rwy'n gobeithio, er mor falch ag yr ydych chi ohonynt, y gallwch hefyd rannu eu cyflawniadau, gan na fyddai'r rhain wedi bod yn bosibl heboch chi.

Welcome

Thank you very much for joining us for Surgam 2024, our annual celebration of excellence across students, staff and healthcare partners in the School of Medicine.

This year is another excellent example of the huge contributions so many individuals have made to providing students and patients with the best possible experience and I am delighted that through our event today, and this booklet, we can celebrate their success.

Colleagues across the School continue to innovate in their delivery of education and research. Feedback across our undergraduate courses has further improved this year, with Medical Pharmacology continuing to rank amongst the highest rated courses across the entire University and the Medical programme in the top three for education resources in the UK.

Intercalated degrees have also allowed students to develop their research and education skills with work of extremely high quality produced by graduates across these programmes.

In our postgraduate portfolio the teams are delivering high quality education to individuals from a wide range of health, care and research backgrounds. These contributions are vital to the missions of the School to improve health and care across Wales and beyond.

We are also indebted to all of the individuals who support our learners in their achievements. The support they receive from friends and family is vital to their success and I hope that as proud as you are of them that you can also share in their achievements, which would not have been possible without you.

Gwobr Jonathan Thomas – Gwobr Arbennig Special Award – Jonathan Thomas Award

Dyma wobr arbennig a sefydlwyd gan Mr a Mrs Peter Thomas ym mis Medi 2002, er cof am eu mab, Jonathan. Mae'n wobr a enwebir gan fyfyrwr ar gyfer myfyriwr meddygol sydd wedi, er amgylchiadau personol heriol, cyfrannu yn ehangach i fywyd myfyriwr.

This is a special award established by Mr and Mrs Peter Thomas in September 2002, in memory of their son, Jonathan. It is a student-nominated award for a medical student who has demonstrated personal achievement in the face of hardship or adversity or a wider contribution to student life.

**SSC project: top ranking project in
Psychological Medicine**

Addysgwyd Richard yn Ysgol Bechgyn Bournemouth. Ym mis Medi 1978 gadawodd i fynd ar drywydd ei uchelgais i fod yn Feddyg. Graddiodd o Ysgol Feddygaeth Cymru ym 1983 Roedd yn byw yng Nghaerffili hyd ei farwolaeth yn Mai, 2007. Yr oedd Richard yn ŵr bonheddig. Byddai'n dychwelyd yn aml i'r Brifysgol ac ar adegau yn oruchwyliwr arholiadau. Rhoddodd cyn gymaint, ond gofynnodd am ychydig yn ôl. Mae ein colled yn fawr.

Richard was educated at Bournemouth School Boys. In September 1978 he left to pursue his ambition to become a Doctor, by enrolling at the Welsh National School of Medicine in Cardiff. He graduated in June 1983. He lived in Caerphilly until his death in May, 2007. Richard was a true Gentleman. He often returned to the University and was at times an examination supervisor. He gave so much, but asked for little in return. He is greatly missed.

Gwobr Arbennig – Gwobr Raviram Ramesh Special Award – Raviram Ramesh Prize

Dyfernir y wobr hon i'r myfyriwr/myfyrwyr sy'n cyflwyno'r adroddiad achos Fy Ymarfer gorau ym Mlwyddyn 5.

Roedd Ravi yn fyfyrwr meddygol eithriadol, gyda gwên hyfryd a gallu naturiol i arwain. Roedd Ravi'n disgleirio ym mhob rhan o'r cwrs a'i uchelgais oedd bod yn llawfeddyg. Bydd pawb a oedd yn adnabod Ravi'n ei gofio fwyaf am fod yn fabolgampwr o fri a fyddai wedi bod yn gapten ar Glwb Pêl Droed Meddygon Caerdydd yn ei flwyddyn olaf yng Nghaerdydd.

This prize is awarded to the student(s) presenting the best Year 5 MyPractice case report.

Ravi was an exceptional medical student, with an infectious smile and natural leadership ability. An aspiring surgeon, Ravi shone in all areas of the course and will be best remembered by those who knew him as an outstanding sportsman who would have captained Cardiff Medics Football Club in his final year at Cardiff.

CYDNABYDDIAETH CANOLFAN ADDYSG FEDDYGOL 2024 CENTRE FOR MEDICAL EDUCATION RECOGNITION 2024

Y llynedd, cafodd ein myfyrwyr, ein staff, partneriaid addysgu, cleifion, a'r bobl hynny sy'n defnyddio'r gwasanaethau eu gwahodd i enwebu pobl eraill i gael eu cydnabod yn sgîl eu cyfraniad eithriadol at brofiad y myfyrwyr.

Gall enwebiadau fod ar gyfer y rhai sydd wedi cyfrannu trwy ddarparu addysgu rhagorol neu ddatblygu arloesedd, am roi cefnogaeth anhygoel i fyfyrwyr neu ddarpar fyfyrwyr, gwasanaeth cyhoeddus, dewrder, cynrychioli'r Ysgol Meddygaeth yn rhyngwladol, rhoi cefnogaeth i'r GIG, cyfoethogi profiad myfyrwyr a llawer, llawer mwy.

Mae'r rhestr hon o gydnabyddiaethau hefyd yn cynnwys myfyrwyr sydd wedi dangos proffesiynoldeb rhagorol yn ystod eu hastudiaethau. Yr hyn sydd gan bob un a enwebwyd yn gyffredin yw eu hymrwymiad a'u brwdfrydedd.

Mae'r Ysgol Meddygaeth yn diolch i bawb a restrir isod a gweddill staff C4ME a staff y GIG am eu gwasanaeth i eraill yn ystod cyfnod hynod heriol. Diolch hefyd i'r rhai a gyflwynodd yr enwebiadau.

Last year our students, staff and teaching partners, patients and service users were invited to nominate others to be recognised for their exceptional contribution to the student experience.

Nominations could be for those who have contributed by delivering excellent teaching or developing an innovation, for extraordinary support of students or prospective students, public service, courage, outstanding representation of the School of Medicine, support for the NHS, enriching the student experience and much more.

This list of recognitions also includes students who have shown outstanding professionalism in the course of their studies. What all of our nominees have in common is their commitment and enthusiasm.

The School of Medicine thanks all of those listed below and the rest of C4ME staff and NHS staff for their service to others in very challenging times. We also thank those who made the nominations.
