Source: Welsh Government
Budget

Over the past 10 years;

• **A quarter of a billion pounds** in cumulative savings

• Reduced the number of non-school staff by **22%**

A further **£81 million** in savings are required over the next **3 years**
Digital by Default

- 70% of parking permits applied online
- 75.7% of recycling bags and waste caddies requested online
- 90% of school applications are made online (an increase of 20% on previous year)
Developing a SMART City strategy which show our commitments to:

- Creating better digital services
- Improving digital infrastructure
- Sparking innovation in the area
- Addressing digital inclusion
- Removing data silos
SMART City Projects

- 14,000 connected street lights on our road network
- 3,300 parking sensors across our city
- 300 connected CCTV cameras
Collaborative Approach

Cardiff recognises that its Universities are important.

- Highly skilled graduates
- World leading research
- Technological innovation

A collaborative approach will be vital in Cardiff becoming a truly smart city
