Please complete all information in the spaces provided and submit within **six weeks** of the Examining Board (the dissertation stage Examining Board in the case of postgraduate Master's programmes).

Please extend spaces where necessary.

1. Programme Structure (curriculum design, programme structure and level, methods of teaching and learning)

This MA has formed a good blend of broadcast, print and digital, allowing students a broad range of skills as they venture out into the world of work..

2. Academic Standards (comparability with other UK HEIs, achievement of students, any PSRB requirements)

Good.

3. The Assessment Process (enabling achievement of aims and learning outcomes; stretch of assessment; comparability of standards between modules of the same level)

The marking was very thorough. The relativities between the different marks seemed accurate and reasonable. The grades between the first and second markers were consistent. It was good to see feedback that was encouraging, thoughtful and well-informed. Markers picked up on vague and unfocused thoughts and insufficient context and analysis. The online/digital marking system works well.

4. **Examination of Master's Dissertations (if applicable)** (sample of dissertations received, appropriateness of marking schemes, standard of internal marking, classification of awards)

[Where possible please complete this section following the dissertation examining board determining the final award.]

Once again, the dissertations I viewed displayed a wide range of topics. Most of them were engaging and thoughtful. Where they weren't, tutors critiqued and marked them accordingly. The standard of English seemed better than in previous years.

5. **Year-on-Year Comments**

[Previous External Examiner Reports are available from the Cardiff University Website [here](#).]

The digital element of the course has developed considerably and positively in my four years as external examiner.

The standard of English seemed better than in previous years.

6. **Preparation for the role of External Examiner (for new External Examiners only)** (appropriateness of briefing provided by the programme team and supporting information, visits to School, ability to meet with students, arrangements for accessing work to review)

N/A

7. **Noteworthy Practice and Enhancement** (good and innovative practice in learning, teaching and assessment; opportunities for enhancement of learning opportunities)

A good blend of broadcast, print and digital.

8. **Appointment Overview (for retiring External Examiners only)** (significant changes in standards, programme/discipline developments, implementation of recommendations, further areas of work)

This is an excellent course with committed staff and a formidable reputation. I have thoroughly enjoyed my involvement with it.
