Dear Mrs Wylie,

Re: Institutional Response: External Examiner Annual Report 2018/19

I am writing further to the receipt of your External Examiner's report for the MSc Critical Care.

Your report does not appear to raise any specific issues that require a more detailed response therefore the School has not been asked to provide a formal response.

Your report will be considered by the School and will also be used to help inform their [Annual Review and Enhancement](#) process and where appropriate, [Periodic Review](#).

The University is pleased to note your positive comments, including:

1. Your positive comments regarding the programme structure, academic standards and assessment process.
2. There are some students whose work is exceptional and could be considered for publication.
3. The Blog and Wiki assessments are innovative methods of assessment which are in keeping with the developments in technological advances.
4. There has been excellent supporting information provided by the programme team in the form of face to face discussions, online meetings and online videos.

I hope that you will find this response satisfactory and we thank you for your continued support of the programme.

In order to meet the expectations of the [QAA Quality Code](#), both the External Examiner Annual Report and this Institutional Response will be published on the University's [Public Information website](#) and will be available to all students and staff.

Yours sincerely,
