How to book

There are two ways you can choose to purchase your PSRAS/PSQ. We have created a number of packages to help you gain accreditation. These include assessments and training courses.

If you prefer, you can purchase training courses and assessments on a pay-as-you-go basis. Don’t forget, when you buy one of our packages, you save money against the cost of purchasing elements individually.

Packages
Our packages are designed to help you gain PSRAS/PSQ accreditation.

Each package contains all the assessments you need to complete, as well as various training courses. There are different packages according to whether you are exempt from the written examination*.

How to buy a package
1. Go to our website and choose which package you would like to buy.
2. Click on the link to add the package to your shopping basket. This will issue an item to your shopping basket. This will issue your voucher. The easiest and fastest method is to pay by credit card. If you would rather pay by invoice, we will ask for a copy of your purchase order. Your order is not confirmed until this is received and you won’t be able to move on to step 5.
3. You will be prompted to add the SRA Levy (£20) to your shopping basket. If you have not previously paid this to another provider, please add it to your basket. (Note, we will request proof of previous payment once you’ve registered).
4. Create an account with us (or log in to your existing account), and pay for your voucher. The easiest and fastest method is to pay by credit card. If you would rather pay by invoice, we will ask for a copy of your purchase order. Your order is not confirmed until this is received and you won’t be able to move on to step 5.
5. Once your order is confirmed, you will be able to log into your account at any time to book and manage all your chosen courses and assessments, as well as find useful information.
6. Once your order is confirmed, you will be able to log into your account at any time to book and manage all your chosen courses and assessments, as well as find useful information.

Pay as you go
If you prefer, you can buy courses and assessments separately.

Perhaps you have already completed some elements of the PSRAS, or you need to retake a particular assessment.

We offer each element of the PSRAS on a pay as you go basis (bear in mind you don’t receive a discount if you purchase elements separately).
