Dear Dr Marley,

Re: Institutional Response: External Examiner Annual Report 2014 – 2015

I am writing further to the receipt of your External Examiner's Report for the modules DET005, DET028 and DET004 on the MSc Implantology.

In accordance with our standard practice, a copy of the Report is being forwarded to the School concerned, who will use its contents to help inform its Annual Review and Enhancement process. The University is pleased to note your positive comments, including:

- 1. your positive indications regarding the programme structure, academic standards and assessment process;**
- 2. your positive comments on the adjustment to the format of DET 005 paper with a compulsory short notes question and;**
- 3. the development and delivery of the course and it's robust, fair and varied assessment approaches necessitating interdisciplinary teamwork across various departments.**

Your Report does not appear to raise any specific issues that require a more detailed response. Accordingly, the School has not been asked to respond formally to the Report.

I hope that you will find this response satisfactory and thank you for your service as External Examiner.

In order to meet the expectations of the QAA Quality Code, both the External Examiner Annual Report and this Institutional Response will be published on Registry web pages and will be available publically.

The University's provision of the formal Institutional Response is not intended to constrain direct communication between schools and their External Examiners. Schools are encouraged to discuss with their External Examiners any matters of detail raised in their Reports and, more widely, any issues impacting on the quality and standards of awards, including possible changes to programmes.

We are most grateful for your comments and for your support in this matter.

Yours sincerely,

Mr Simon Wright
