Dear Ms Spöring,

Re: Institutional Response: External Examiner Annual Report 2014 – 2015

I am writing further to the receipt of your External Examiner's Report for the BSc in Accounting, BSc in Economics, BSc in Business Management (all with EU language - German modules).

In accordance with our standard practice, a copy of the Report is being forwarded to the School concerned, who will use its contents to help inform its Annual Review and Enhancement process. The University is pleased to note your positive comments, including:

- 1. your positive indications regarding the programme structure, academic standards and assessment process;**
- 2. your commendation of the design of tasks and the quality of feedback;**
- 3. your confirmation that “material used is well chosen, challenging, but clearly focused on the professional context and should be motivational for students”.**

Your Report does not appear to raise any specific issues that require a more detailed response. Accordingly, the School has not been asked to respond formally to the Report.

I hope that you will find this response satisfactory and thank you for your continued support of the programme. We are most grateful for your valuable input into this process.

In order to meet the expectations of the QAA Quality Code, both the External Examiner Annual Report and this Institutional Response will be published on the University Student Intranet and will be available to all students and staff.

The University's provision of the formal Institutional Response is not intended to constrain direct communication between schools and their External Examiners. Schools are encouraged to discuss with their External Examiners any matters of
