1. Programme Structure

The programme structure is clear and coherent. The material covered in the assignments is current and relevant.

2. Academic Standards

From the assessments I've seen the academic standards applied to assessments are appropriate and rigours. The standard of assessment is comparable with other Professional Doctorates.

3. The Assessment Process

Very good. Students receive detailed and constructive comments on the formative work. The summative assessments reflect care and constructive assessment within the requirements of established marking matrix.

4. Year-on-Year Comments

This is my first year as EE so I'm not in a position, yet, to provide a year on year comment.

5. Preparation / Induction Activity (for new External Examiners only)

I was invited to an induction event but was unable to attend. The written information I have had from the university [related to induction] and from the course has been very helpful.

6. Noteworthy Practice and Enhancement

At this early stage of my involvement with this course I don't feel I'm in a position to comment on this with any authority.

7. Appointment Overview (for retiring External Examiners only)
