1. Programme Structure

The structure is appropriate and comparable to other MBA programmes.

2. Academic Standards

The examination papers and other assessments sent for review were in general set at an appropriate standard. Specific comments have been made on some of the examination papers and assignments for Internal Examiners to consider. These have all been dealt with or responded to appropriately.

3. The Assessment Process

The assessment process is appropriate. No particular issues have arisen this year that necessitate further comment. Standards are high and thoroughness is shown on the part of staff in the assessment of examinations and coursework.

4. Year-on-Year Comments

The office responded promptly and appropriately to any request for additional information or clarifications.

5. Preparation / Induction Activity (for new External Examiners only)

N/A.

6. Noteworthy Practice and Enhancement

I liked very much the presentation made at the end of the Exam Board by the Course Director on the cohort this year and the comments made by each of the examiners on the modules for which they were responsible. It was also good to see a well attended Exam Board with staff that are clearly engaged with the programme and the students.
